Message From Superintendent

I have tremendous faith in the youth of Cokeville and of all America. No other segment of our population has as high idealism, greater love of country, as pure motives, as much tolerance of others, character unsullied, worthy ambitious, and such an urge for constructive action. No other group responds as enthusiastically and intelligently to real leadership. May those portrayed herein, forever retain and keep in action these virtues is my sincere wish.

Message From Board

The most potent force for training youth in the United States is our public school system. Upon this system, not only depends the survival of individual freedom and other ideals, but also the survival of the best that we cherish in present-day civilization throughout the world.

Generally speaking the objective of public schools is to assist the individual in the proper development of his intellectual, physical and moral nature, that he or she may be an asset to their country and fellow men.

We are very fortunate, having in our school system a staff of instructors, unexcelled in their abilities to carry out these objectives and to mold the character of the Cokeville students for good. To them we are grateful.

Students, you have a noble heritage, marvelous possibilities. Make the best of them. Opportunity will knock. Be prepared to answer the call.

Grade School Student Council

The elementary school student council was organized for the first time. The purpose of the organization was to give the students some experiences in self government. Their discussions of school problems were very frank and objective. They work out ways of improving and repairing playground equipment, control of hall and playground discipline, use of school materials and many others.

Elizabeth Evans, 1st Grade; Richard Cornia, 3rd Grade; Marilyn Nate, Secretary; Carol Jean Elliott, 6th Grade; Jerry Parkins, President; Dorothy Petersen, 5th Grade; Lynn Rowsell, Vice President; Merrill Dayton, 2nd Grade; LuAnn Bennion, 4th Grade.

Nolan Lloyd, 7th Grade; Norman Freeman, Freshman; LaRue Beyeler, Senior; Mr. Wyatt, Advisor; Lynn Dimond, President; Donald O'Neill, Junior; Dennis Nate, Sophomore; Kenny Nelson, 8th Grade.

This year the Student Council has put some new ideas to use.

One of the biggest events was the homecoming, consisting of a program, football game, dance and a homecoming queen. It turned out to be a success and we look forward to another next year.

The next big event was the election of the student body officers in the spring. This too, has not been done in years past.

Along with these events we had the annual Christmas party, lyceums, movies, dances, a sponsored bus to Randolph, for a basketball game, watching the Rose Bowl Game on television, and clean-up day in the spring.

To inspire ambition, to stimulate the imagination, to provide the inquiring mind with accurate information and lead to broader fields of knowledge is the purpose of our association here.

Each of us who passes this way in glorious youth is setting a beginning pattern in loves and loyalties and eventually stands upon the threshold of a great quest. Infinite beyond all words is the power of our imagination to shape our destinies and bring us happiness.

The world has always laughed at the dreamers who made things come true. In every age there are those who dream and those who laugh, and when the age has passed away another age comes on, and always it is

true that when the world looks back it puts up statues to those who dream and laughs at those who laughed.

Let them laugh who will; but, for us, let us believe in ourselves. What ever we do in the world let us believe that there is no surer way to success than this-- Envision a purpose. Follow it to the end.

We must sieze our opportunities with eagerness and zeal; we must be willing to run the risk of taking chances. We must not turn back when we come to stony ground; we must not whince if life is not a bed of roses. The strong wind makes the strong man.

"Man is himself
The key to all he seeks."

Homecoming Queen

DEE ANN NATE --QUEEN

Margene Hamp--Freshman Attendant

Juanita Harman--Sophomore Attendant

Jackie Mau--Junior Attendant

The Homecoming Queen was crowned on a throne of silver and in a room of orange and black. At the opposite end of the hall was a football of victory.

Our first Homecoming, which we hope to make an annual affair, began with a program in which the alumni participated. After the program, the Homecoming game was played between Cokeville and Baggs. Cokeville was victorious. That night we had our Homecoming Dance.

Junior Prom Queen

JACKIE MAU--QUEEN

Margene Hamp--Freshman Attendant

Dawnee Carraway--Sophomore Attendant

Janice Sparks--Junior Attendant

Carla Mackey--Senior Attendant

The theme of the Prom was "Hawaiian Paradise." The hall was beautifully decorated with lavender, deep purple, and yellow. At one end of the hall was a painting of a beautiful Hawaiian girl.

The floor show consisted of: a grand march by the Junior Class, crowning of the queen, Jackie Mau, and honoring the attendants. Lynette Shaw sang the theme song and Shannon Layland favored us with a hula dance and a toe dance. The Junior Class was then honored with a dance.

Senior Class of 1956

Thirteen sturdy, ambitious freshmen climbed aboard the canoe which was to carry them into the mysterious waters of the unknown.

As captain of the first lap of our journey we chose LaRue Beyeler. While drifting along we gave our first big event, our Freshman dance, "With A Song In My Heart." This dance was very successful. Along the way we lost Jimmie Ann Wright but gained two more, Don and Glen Walker. This increased our number to fourteen. Next appeared the "Midnight Ghost," our first play, which later was to lead us to fame, and give us our basic understanding to begin our Junior and Senior Plays

To lead us our Sophomore year, we chose Don Walker. Our dance for this year was held in the winter and the theme was "Winter Wonderland." Once again we are joined by Jimmie Ann Wright and also Delores Martinez, however, we lost Karen Pope.

On the third lap of our journey, one of our most important, we chose Roberta Zierlein as our leader. Our Junior Play was entitled "Father Was A Housewife", a mighty success. Then came the biggest dance of the year, the Junior Prom. Choosing the theme of "Earth Angel" the hall was elaborately decorated.

Then came the all important year with graduation. This year we chose Joyce Murdock to lead us. We held our Senior Ball entitled "Chinatown," a big success. Then our last class play, "Broom For A Bride." Our last year we lost Roberta Zierlein, Frank Walters, and June Mumford. We gained Claudia Wadehul and so we finished our trip with thirteen members.

The Seniors of 1956 wish all the other classes all the fun and success that we have enjoyed through our years in Cokeville High School.

Junior High P. E.

The girls must develop physical as well as mental muscles. A combination of physical education and homemaking will help to make these seventh grade girls fit for the modern woman's dual role-- breadwinning and homemaking. If they really work at developing those muscles, life will become easier for us poor men.

Spanish Class

Now today, Amigos, we learn to seeng thee new song. Forst of all, we must learn to seeng "La Cucaracha" weeth the Spanish accent.

The teacher even smiles with a Spanish Accent.
