RAMBOUILLET

1958 — 1959

What's cooking??

New Key Puncher.

In years to come scenes like these will seem to retouch the canvas of our faded memory bringing again into focus familiar places and faces of high school fame.

Familiar Scenes

All things must go.
(We hope.)

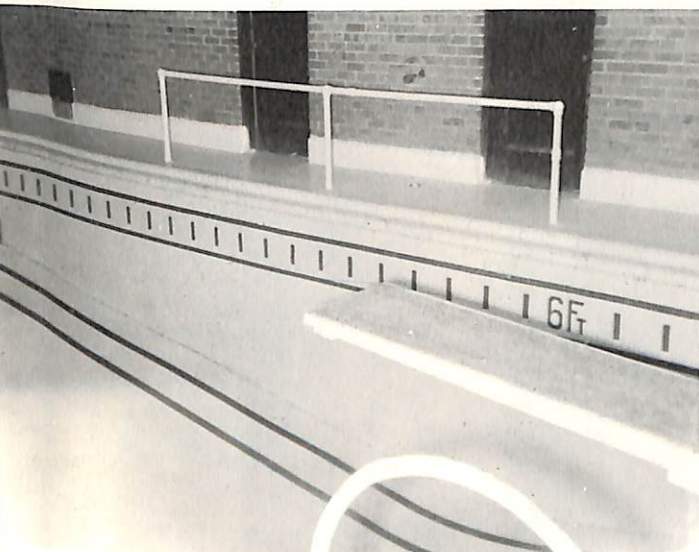

They say we "must"
(why!!)

Noon bell just rang!

Off to a dry plunge.

Only a part, but all the picture would hold.

Hall of Fame.
