ORGANIZATIONS

Morgan keeps at the tiring work. Joann is expecting some good pictures. Mr. Birch ponders over pressing problems. Paul, as usual, is working extremely hard.

The yearbook room at Cokeville High School is quite small, but never the less a good book is usually produced.

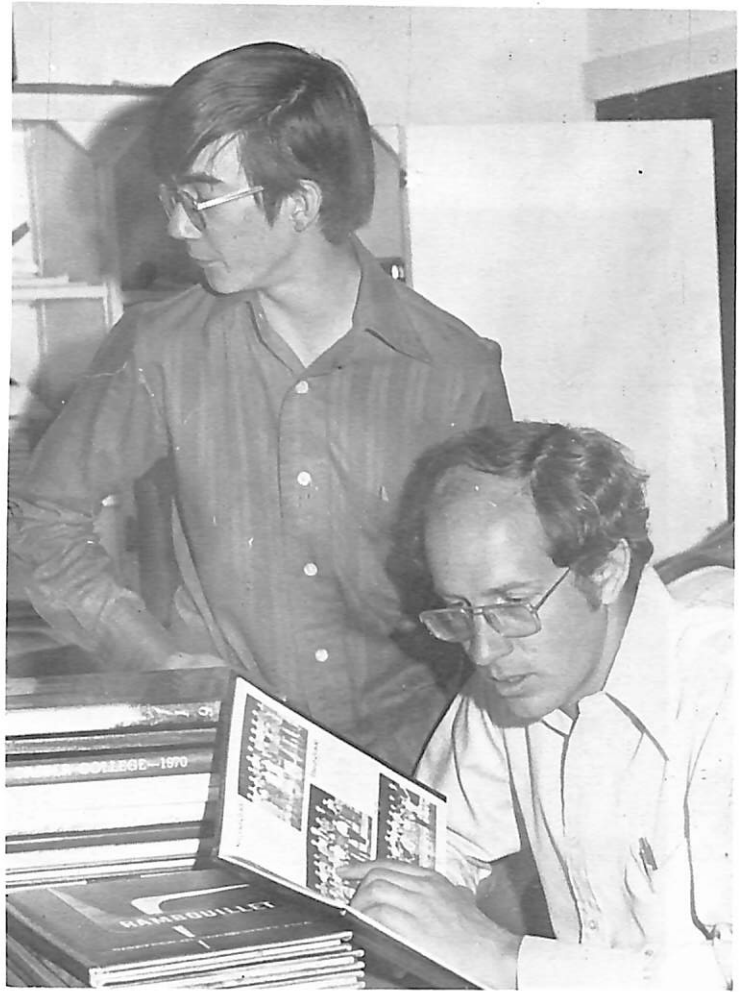

Morgan, David, and LaVon show that being a member of the yearbook staff can be a lot of fun.

# ACTIVITIES

# Panthers Are Forever . . .

The ferocious Panther defense has forced their Homecoming opponent, Pinedale, into another punting situation.

Nancy Thoman had the honor of being chosen as the Homecoming Queen. Homecoming King was Billy Johnson.

At the Pep Rally the night before the game the cheerleaders fired up the team and fans.

The dance, following the game, capped off an eventful Panther Homecoming.

Year after year one of the most memorable and exciting activities at C.H.S. is Homecoming. This year the Panther Homecoming tradition carried on, and we had another eventful Homecoming. A Queen was crowned, Pep Rallies were held, the "C" was lit, and the other traditional activities were held. All activities pointed toward, or back to, the game. The Panther football team fought a good fight, but were defeated 10-6 by a tough Pinedale eleven.

The parade was part of a swing toward victory.

Under the leadership of Mr. Schwab the Cokeville High School Chorus has been making steady improvements. In November several members of the chorus represented the school at a clinic in Star Valley. After many hours of practice they traveled to festival in Rock Springs and received a superior rating.

Mr. Schwab is fueling up for another tough rehearsal.

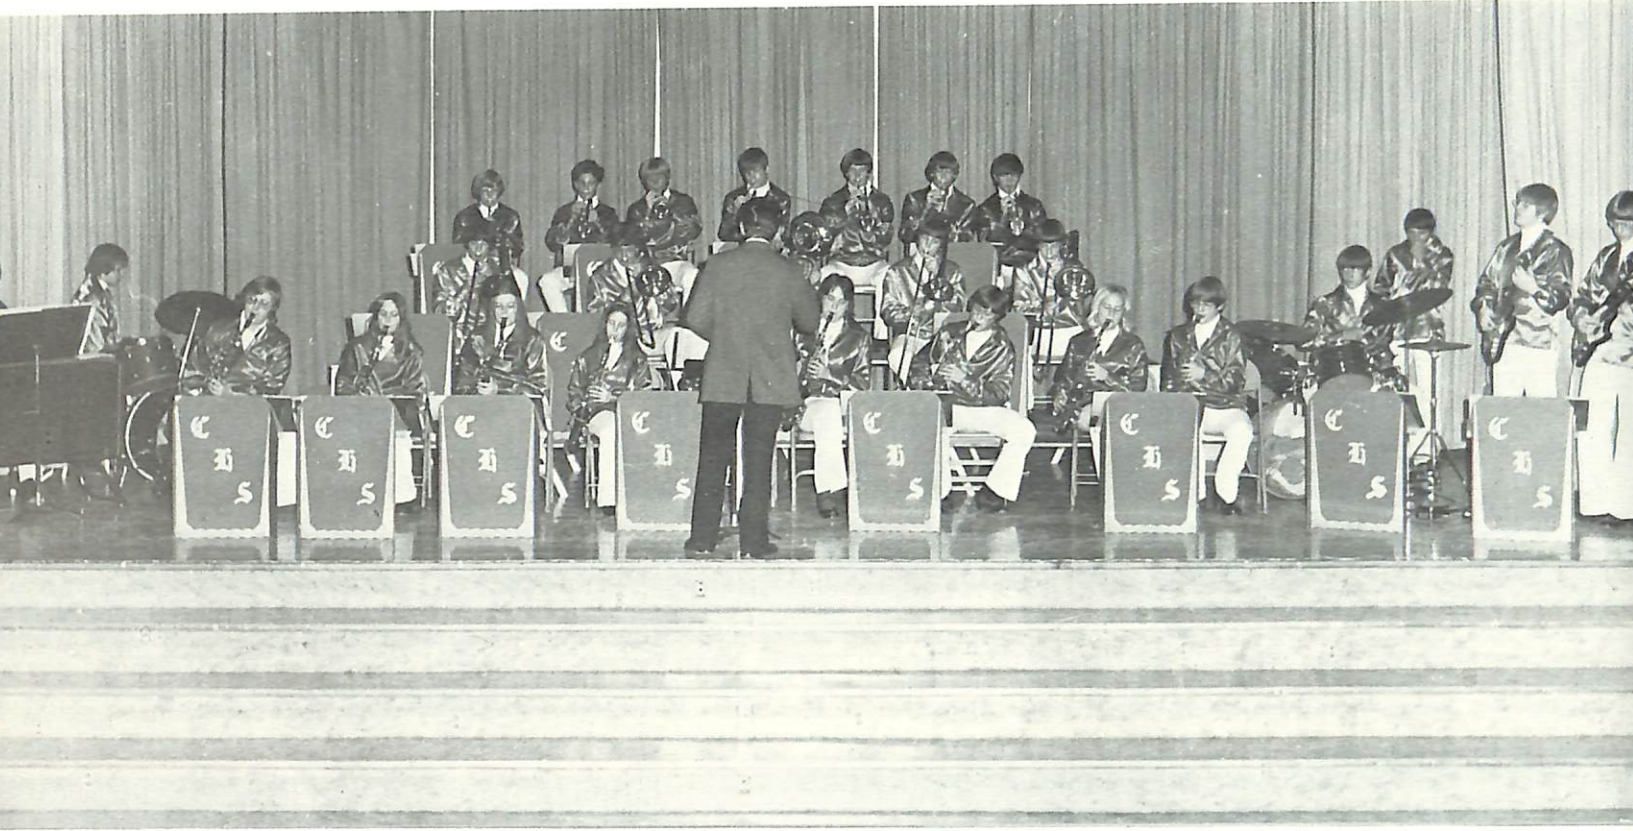

The good looking basses are warming up.

Make your own kind of music.

The big event for the combined bands of C.H.S. was a tour of Utah. This tour extended as far south as St. George.

At the end of year the Concert Band and the Jazz Rock Ensemble traveled to Rock Springs to festival. They both finished the year well, and came home with superior (I) ratings.

Even though, in this picture, Carla Lloyd is behind Andra Lee Anderson and Mary Ellen Cornia is behind Bill Thompson, they were all behind each other when they received their superior rating at festival.

SPORTS

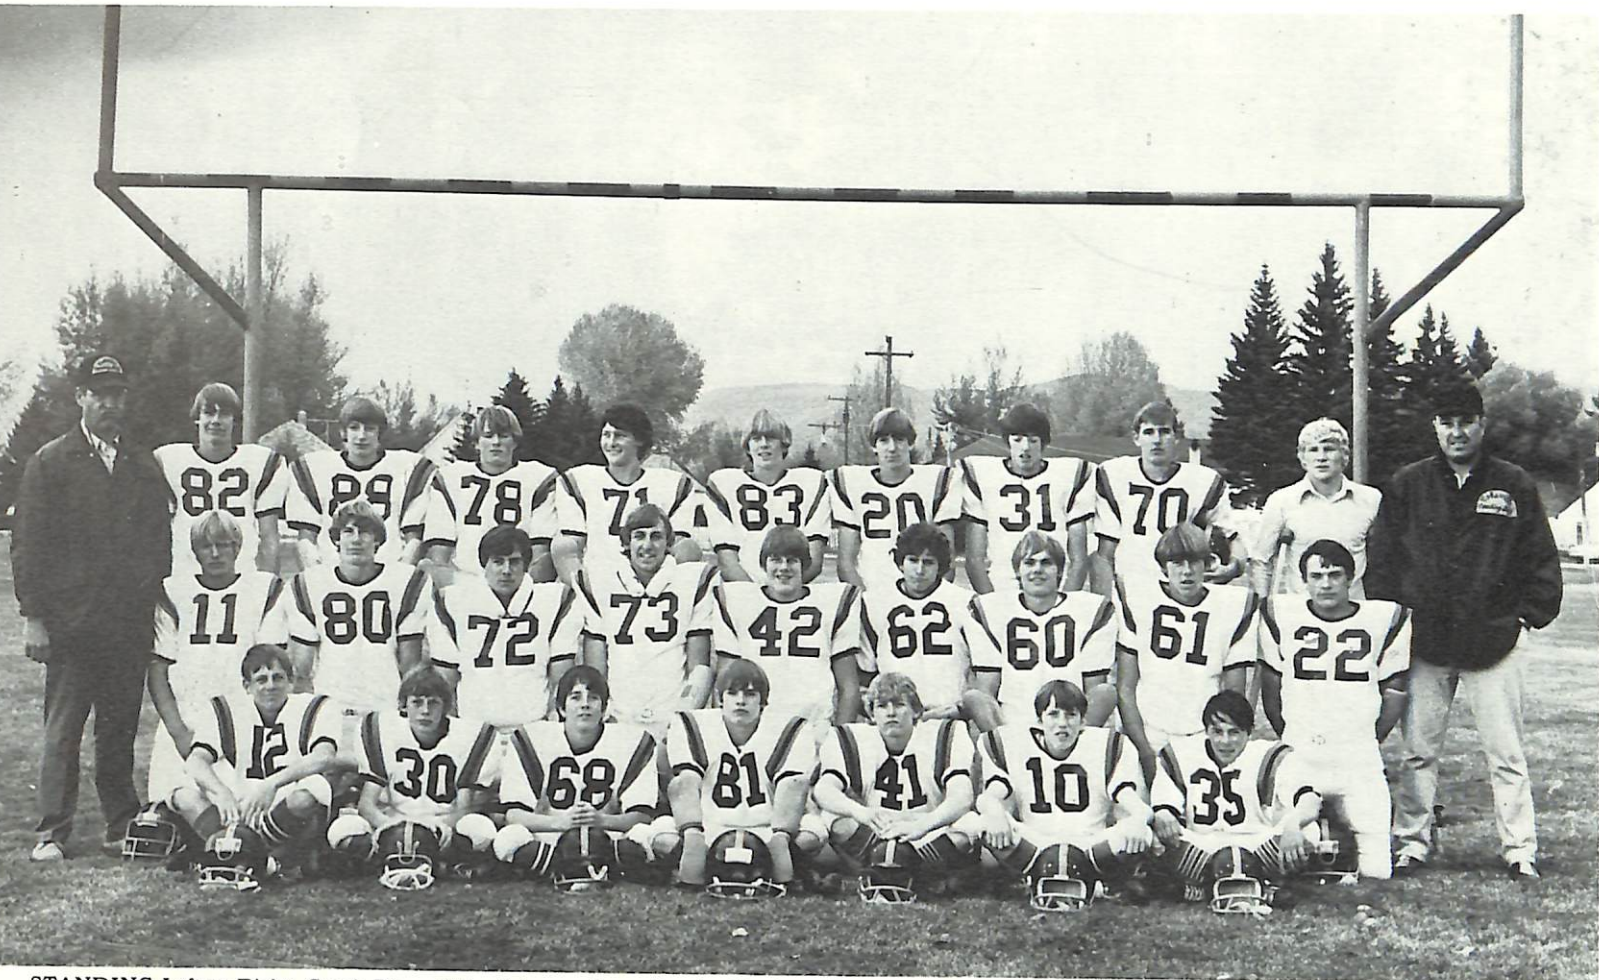

# Powerful Panthers

It's unbelievable stunts like this that put these three on the all conference team. Mike Petersen, Chad Teichert, and David Holmes.

Vern Bailey and Stan Thompson lead the boys as co-captains.

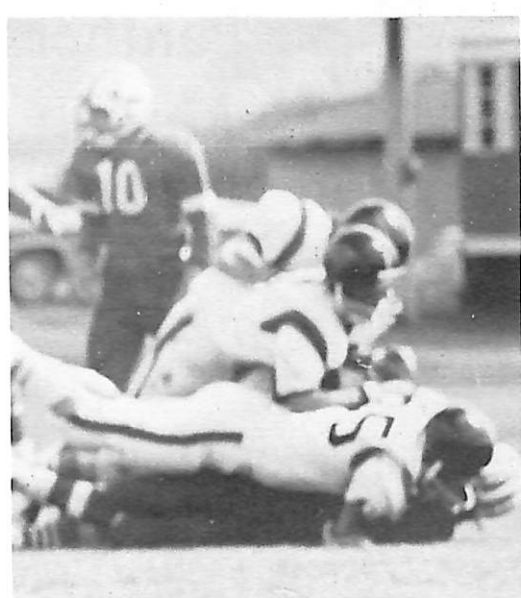

**STANDING** Left to Right: Coach Dana, Mike Petersen, Lynn Cornia, Chad Roberts, Chuck Mackey, Doug Holden, Roger Bliss, Morgan Mitchell, Marlin Thornock, Jay Thoman, Coach Watts. **KNEELING:** David Holmes, Brent Petersen, Billy Johnson, Vern Bailey, Steve Petersen, Paul Knouse, Stanley

Thompson, Matthew Teichert, Chad Teichert. **SITTING:** Randy Watts, Mark Petersen, Dennis Larson, Billy Thompson, Mac Nelson, John Sparks, Cody Feuz.

An average Panther stack-up.

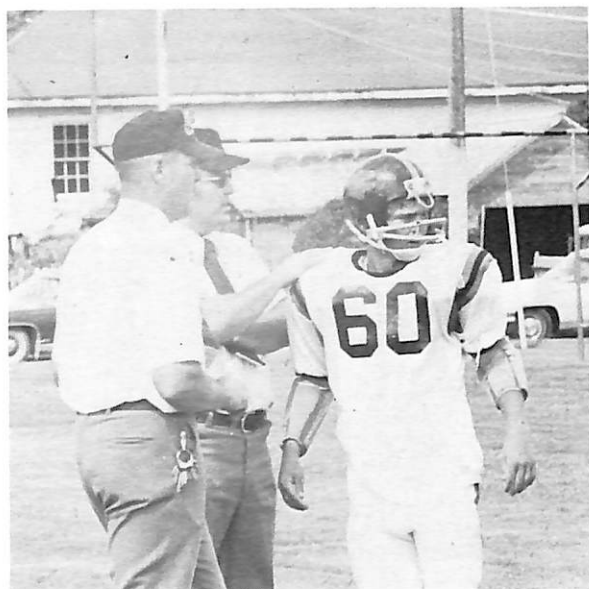

The Cokeville football team started out good but towards the end of the season with a few injuries it slowed down. The Panthers still posted a 6-3 record. The team should be good next year and we're really the best team in the conference.

Although the Panthers posted a 4-7 record, they were better than their record showed and lost many close ones. The team is a young one and should be better in the future. The team just barely missed going to state and definitely should be a contender next year for the district crown.

# Successful Year For Matcats

The Cokeville wrestling team finally has got a winning record at 5 wins and 1 loss. The boys worked especially hard this year and the team spirit was really great. It looks like next year will be a good one, too.
