Homecoming was held earlier than usual this year in order to avoid the snow. Inspite of the fact that we had to get going soon after school started we had a great success. In the morning the alumni program was held and was followed by the parade. There were many ''far-out'' floats in the parade, but the Seniors' was voted the best. The football team ''stomped'' the Lyman Eagles and we finished with the Homecoming Dance.

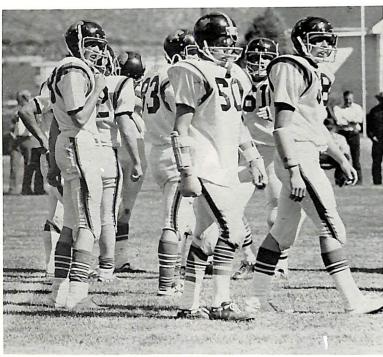

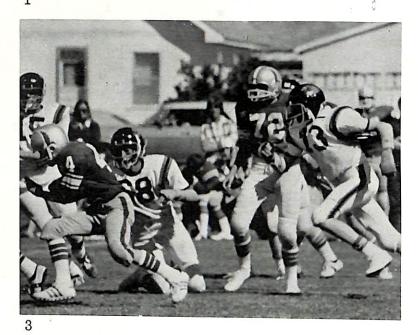

SPORTS

THE COKEVILLE LEGEND

This year's team and coaches put together a fine effort, and came up with a fine season. They compiled a legendary 9-0-1 season, much to the surprise of many people. This record was good enough to win the conference title and a third place finish in state rankings. Due to the absense of state playoffs, they were unable to redeem themselves as possibly the best team in the state.

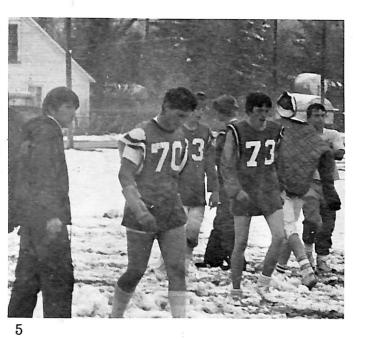

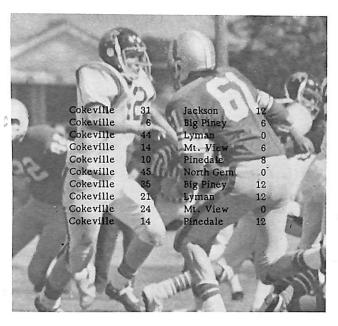

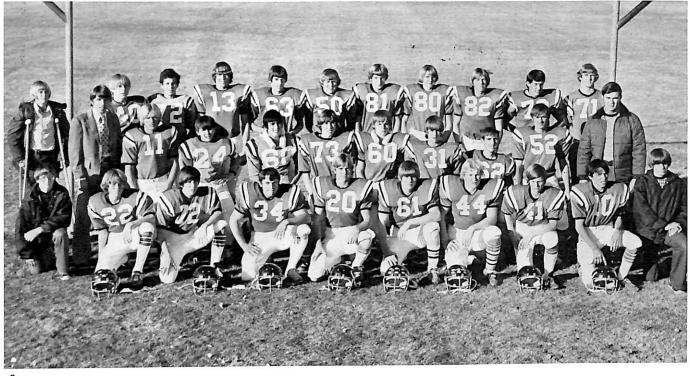

1. The team awaits a decision from the bench.
2. Doug has just learned to fly, but he needs to work on his landing. 3. Morgan is about to stop runner from reaching the scrimmage line, while John approaches from the rear. 4.
