Homecoming.....25-31

Back to School Activity

The super-sized sophomore class barely had enough room on their side of the rope for everyone!

The Back to School activity this year started off with an assembly where our Student Body Officers and Principal Harris gave inspiring speeches. This was followed by the Cokeville Olympics. The games consisted of keeping a balloon airborne, the classic tug-of-war, and passing a rotten banana with your feet only to be choked down by an unlucky class member.

Sean Larson devouring his classes rotten banana.

The beastly senior class of 2013 pulling with all their might.

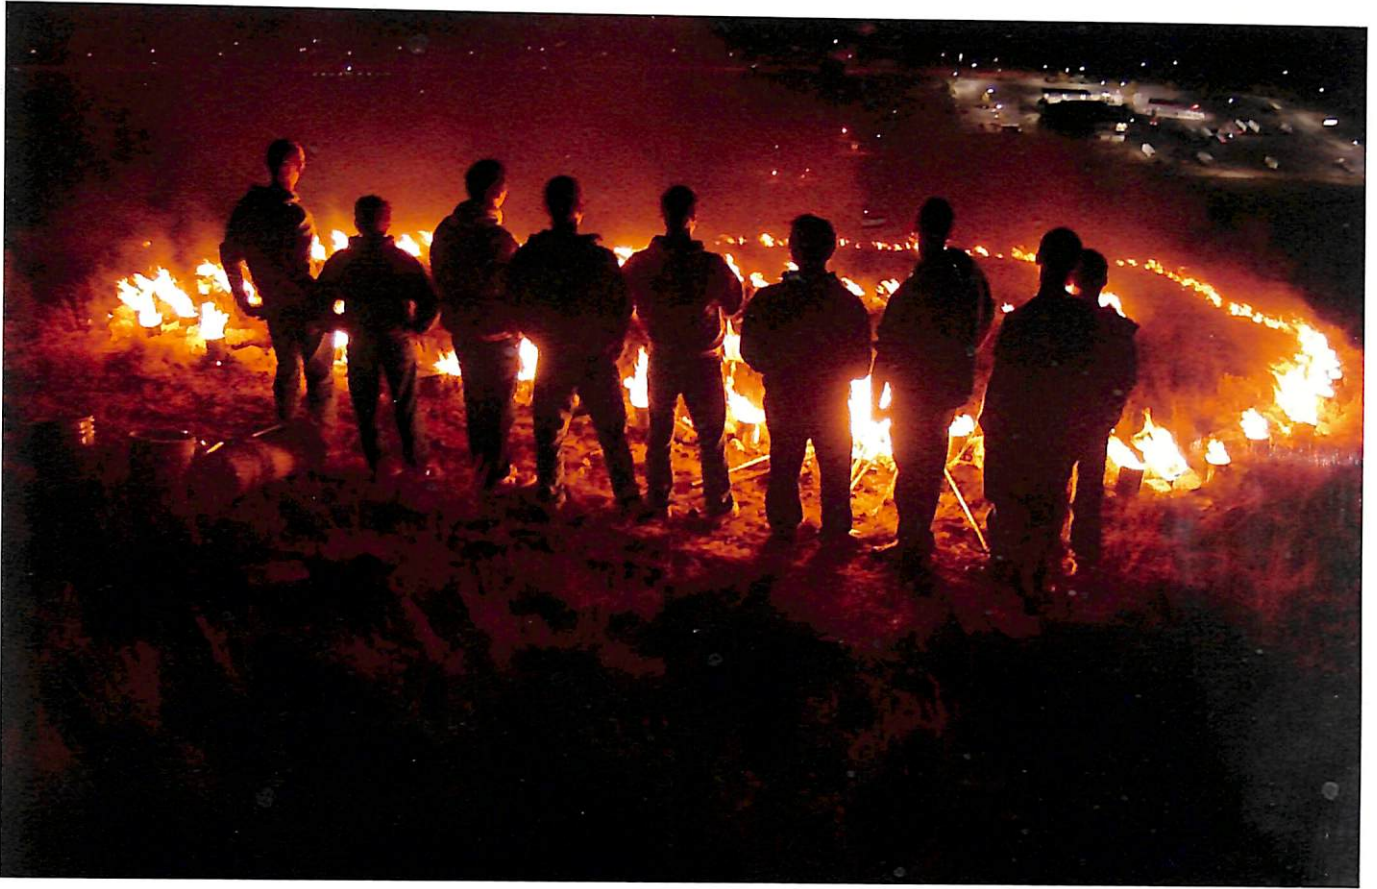

Tessa Teichert focusing intently on passing the rotten banana with her feet.

After multiple times shooting arrows and missing, the Junior bonfire rages like an inferno.

Senior, Tessa Teichert stares back from behind her Mardi Gras mask.

On Thursday night the "C" and bonfire were lit, followed by the "Donut Run" and Pep Rally. On Friday morning we had the assembly and parade which was followed by the football and volleyball games. The week was wrapped up with the dance on Friday night.

Then the final task was to eat another diaper full of pudding, baby food, peanuts, corn, and olives.

The Student Body Election campaign week was an exciting one. The candidates gave away many trinkets and clever sayings throughout the week. Thursday morning rolled around with the traditional bribery with goodies. This was followed by speeches and extremely entertaining skits. Aside from Brock Teichert, the only unopposed candidate this year, everyone ran a hard race. We are confident that the winners will make great Student Body Officers.

Broadcasting

Two members of the Broadcasting group, Braxton and Cody, working hard, or hardly working. Its hard to tell for sure. They did manage to get the game on the air though.

Braxton Delgado all decked out in his superfan stuff. But instead of cheering on the teams, he's filming them.

This part of the game must be really intense.

Celebration

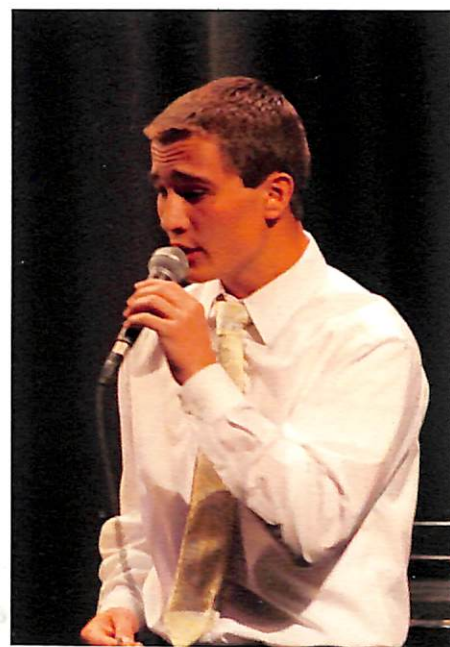

The Celebration group: back row from L to R, Tyrel Toomer, Jace Petersen, Nathan Cook, Alex Dayton. Middle row, Tessa Teichert, Elizabeth Dayton, Ana Cook, Justene Moody, Front row L to R, Kennan Thompson, Jonathan Fiscus. Going with their throw back look.

Liz, Justene, and Tessa "ooooohhhhhing" their little hearts out.

Kennan and Jonathan pulling their singing faces to the delight of the crowd.

Jace singing his way into the hearts of all the girls. Oh wait, he already has.

Film Making

Braxton "the cool man" Delgado styling and profiling his shades and suit.

Tessa Teichert, the camera woman extraordinaire, filming Ms. Bethaney Briggs.

Braxton not quite as styling and profiling as before.

Tyrel Toomer, or Professor Clouseau, chilling with the Film Making crew.

This picture makes Josi look a little camera shy, which we all know is a lie.

National Honor Society

The National Honor Society members. Back row from L to R. Jonathan Fiscus, Colter Linford, Nathan Teichert, Brendon Cook. Front row from L to R. Josi Clark, Carolyn Larson, Bethaney Briggs, Tessa Teichert, Kaylie Moyses, Shaundra Warner, Ana Cook.

Josi Clark being full of honor and possibly other things as well.

Brendon Cook taping some boxes at the Humanitarian Aid Center.

Pep Club

Macen Petersen ready to strut for all to see!

Tom Tonga showing off his long tongue and big legs.

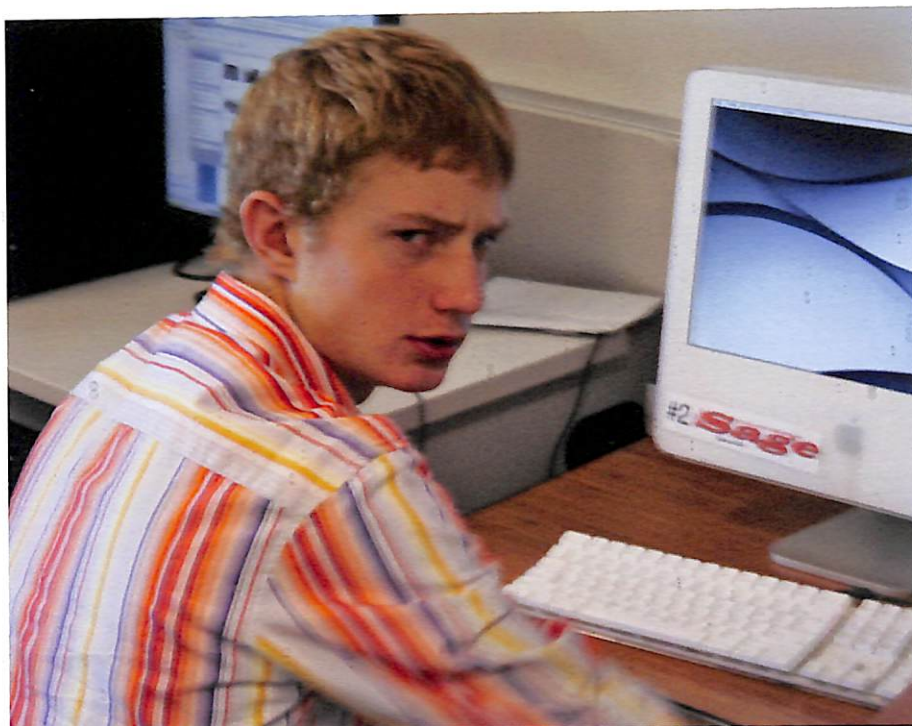

Brendon Cook gritting his teeth at the other team.

Tessa, Bethaney, and Liz are a little more worried about the camera than the game going on.

The Sage

Our amazing editor Jonathan Fiscus, looking disgusted with his staffs work.

Braxton blowing a raspberry while not working.

Cody Nate being productive with his rootbeer and cheesy grin.

Tyrel Toomer has his comfy spot all picked out and some tunes to listen to.

Student Body Officers

Our illustrious student body officers, doing what they do best, threatening to beat up all the student body.

Brock Teichert gives the camera his creeper look.

The officers playing building blocks in the wrestling room.

Jumping for joy! Nothing gives these guys more pleasure than getting their pictures taken.

The student council this year consisted of Ana Cook: President; Tyrel Toomer: Vice President; Thomas Tonga: Secretary; and Brock Teichert: Historian.

Yearbook Staff

Ana Cook, our illustrious editor. Ana managed to do most of her pages with a PC, which we all know must be rather difficult. She also was head cookie supplier and allowed the boys to snoop through her backpack. Ana enjoys long walks in the desert with her pet llama named Carl. As it turns out Ana is a little bit of a camera junkie and can't stay away from the lens. Ana even managed to manage some rowdy boys in the class and with the help of Colter keep them on track.

Colter Linford was the driving force of motivation for this years yearbook. All the students knew that he was the one that could handle anything wrong with the yearbook. Colter enjoys drinking pepsi in his spare time and is known to be a party looking for a place to happen. He is also very photogenic and was often used as the subject in Brigham's great photos. All can attest to his amazing baking skills as he often brought delicious goodies to class, out of the kindness of his heart.

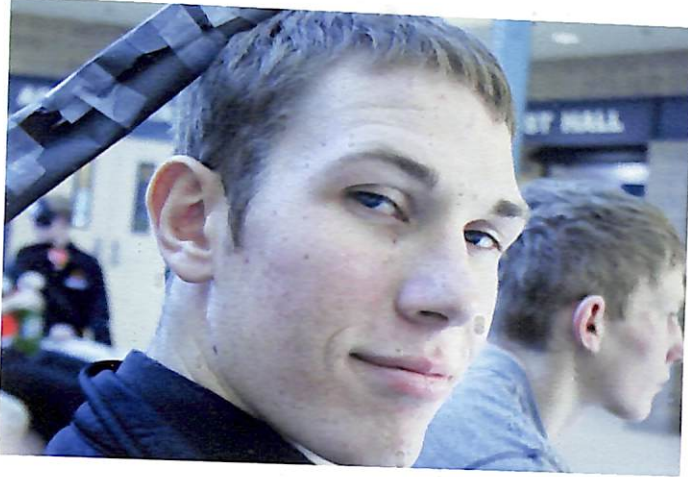

Thomas Tonga is a second timer in yearbook. He learned early that if you get your pages done, you don't have to do much later in the year. He spent many hours looking at the Raider Nation, bothering Mr. Toomer, and resting his eyes. He used his Tongan heritage to intimidate everyone and basically ran the class when Mr. Thompson wasn't there.

Mr. Thompson is a lifer in the yearbook class. As you can tell by his satisfied look, he knows that this years class of exceptional students will have everything done by the end of the year. Somebody should tell him that the end of the year has come and gone.

Yearbook Staff

Brendon Cook is a first timer in yearbook. He quickly used his good looks to be the official "picture uploader". He likes to spell words out loud to show off his spelling ability and is always willing to help others with their pages. He usually has a camera around his neck. And as shown in this picture a paper sword to his head.

Marissa Pope is a first timer. She came in at semester because she couldn't find another class that would fit her schedule of no classes. She uses her pouting abilities to get what she wants. She spent a lot of time working on the basketball highlight, so she really didn't accomplish much. But she also was willing to do whatever was needed in the class. Meaning Brighams pages.

Nathan Teichert is also a first timer in yearbook. He used is sophisticated looks and smarts to bring the level of intelligence of yearbook up. He secretly goes disco dancing on the weekends, but was caught dancing here in Cokeville. Nathan was also the official snack cleaner-upper. If there was left overs, Nathan would handle them.

Brigham Teichert is a first time yearbook staffer. At the beginning of the year, he chose to do all of the Spring pages so he wouldn't have to work for a couple of months. When Spring came, he was able to have Marissa do his pages for him. He tries different ways of applying make-up and has yet to discover the proper way.

Mr. Harris spoke to the students and their parents about the academic successes they have had this year and told them the great job they have done throughout the year.

Parents, students, and teachers came to the Jr. High commons to celebrate the academic successes throughout the year.

The student council this year arranged an "Outstanding Students" program where teachers from each department nominated students. Students were recognized throughout the entire year. After all the classroom nominations ended, the student council arranged a catered lunch by Cherrie Gay to congratulate these students. For the lunch there was salad, rolls, barley, briskeet, and banana dessert. It was a success and everyone enjoyed the meal and the program.

Administration

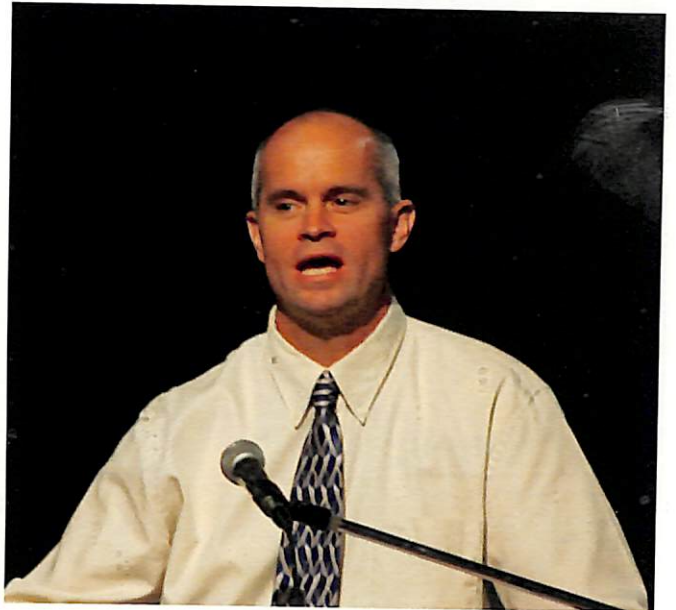

Brave, but not exceptionally clever in this picture, Mr. Harris volunteered to take on Cokeville's police dog. The dog won...big time.

Mrs. Pope caught in the act of dancing in the hallway. She was pretty fired up that she was caught on camera, but we all know that we could just look for it on the surveillance camera.

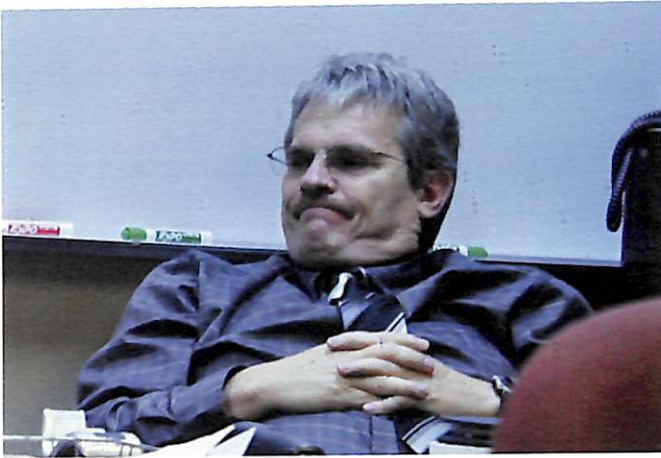

Mrs. Pope giving the camera a weary smile at the end of a busy and exhausting day. Without Mrs. Pope, CHS would cease to exist.

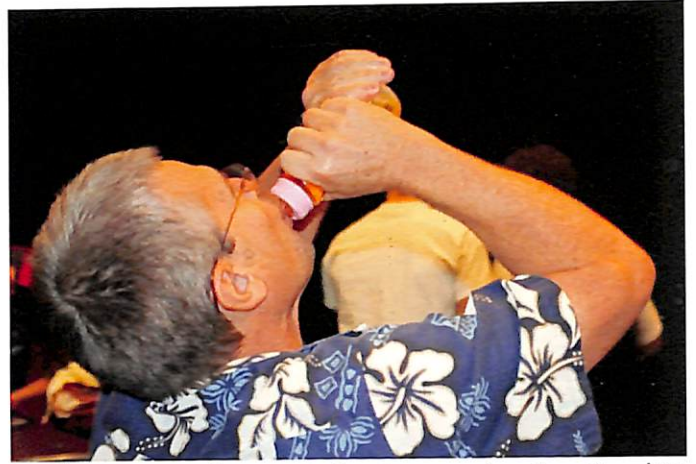

Mr. Harris giving the students words of inspiration to perform well in class, in sports, and in life.

Mr. Thompson showing a look of disgust and disappointment as his class tries to grasp a math concept.

Mr. Thompson guzzles a mysterious beverage in a Hawaiian shirt during the Halloween Fear Factor. It looks like Mr. Thompson is fearless when it comes to drinking mysterious substances.

Mr. Fiscus ponders whether or not he should stay in class and try to teach rebellious students or go fishing. I would say that he is leaning towards fishing.

Mr. Fiscus helping a very confused senior, Ana Cook, with her math problems. Or maybe it is Ana helping Mr. Fiscus. Who knows?

An intimidating male specimen, Mr. Barnes, has zero tolerance for his picture being taken. The photographers body was never found.

Caught slightly off guard for this picture, Mr. Barnes stares blankly into space as he thinks of eating steaks, teaching kids, and battling ninjas.

English Department

Mr. Beck has taught English for many years. So many years in fact, that some students actually believe that he invented the language.

Mr. Beck working furiously as he corrects students papers. These darn kids, won't they ever learn?

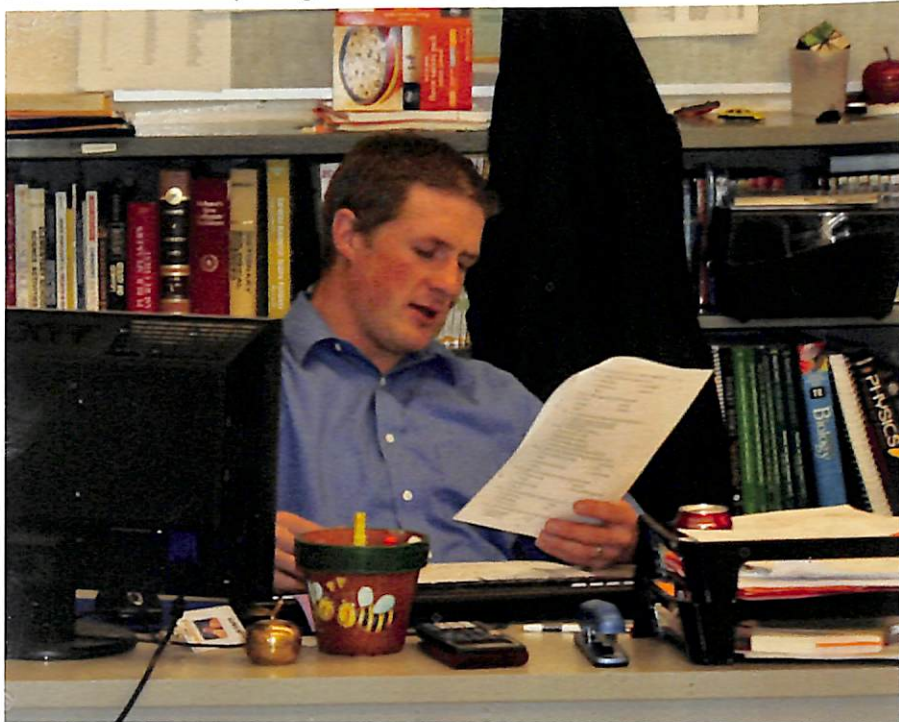

Mr. Linford trying to explain that a noun is a person, place or thing to the baffled Freshmen. Someday they may understand.

Mr. Linford has many capabilities as not only an English teacher, but also as a music conductor, coach, and F.B.I. agent.

Science Department

Mr. Anderson is in deep thought as he looks at a students homework.

Mr. Anderson asks, "What are you doing?" as he is taken by surprise.
