Student Council

Of the students, by the students, and for the students.

This democratic group, acting as our miniature congress, voice the students' opinions toward the different phases of school life and its functions and serve as a contact between the faculty and students. They have been responsible for many of the memorable times we have enjoyed.

LOA ALLRED
Vice President. Earnest-supporting-pleasant-her hard working efforts have helped gain much of the years accomplishments.

BURTON WINTERS
President. Capable-driving-talented-his leadership has marked many outstanding events this year that are not to be forgotten.

BURMA NIELD
Secretary. Efficient-a smile for all-remarkable sense of humor. Credit is due for her complete records and management.

REGISTRATION DAY

The school bell rings again,
and everyone is eager to come
back to school---- anyway they
look like it!

Principal O. J. HOLDAWAY

The student-body wishes to extend their sincere appreciation to Principal O. J. Holdaway, who has been with Star Valley High School for twenty years.

He has always proved interested in the welfare and progress of the students.

Star Valley High School
O. J. HOLDAWAY PRINCIPAL
Afton, Wyoming

To The Class Of 1951
and The Student-body

It has been a grand privilege to work with you during this year. A principal could not wish for better cooperation from both teachers and pupils than I have had. These pleasant personal relationships, plus the fine cooperation given by your parents has made this school year a good one and a happy one.

Star Valley High School has a tradition of friendliness. A tradition can die or it can be a thing of the Spirit.

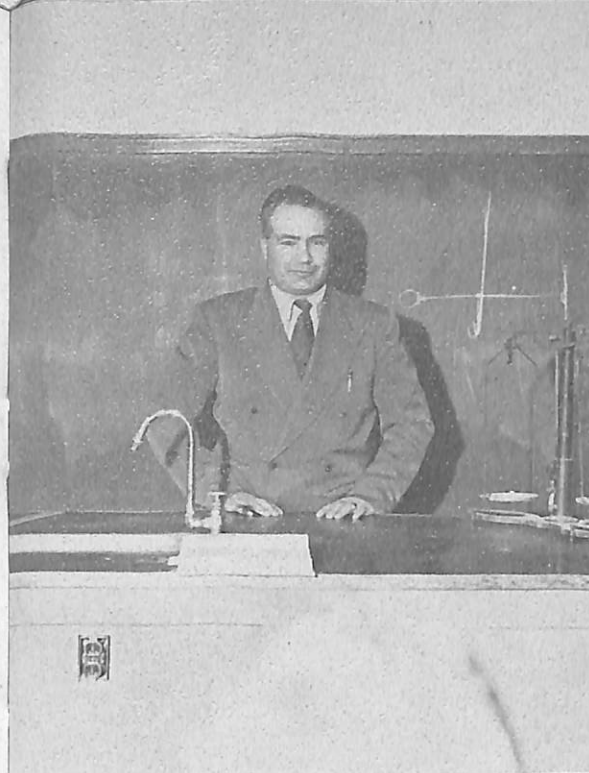

How you, the graduates of this year, or the students of next year, do and think and act about your school will determine the worth of Star Valley High School

O. J. Holdaway

We are the Future Homemakers of America
We face the future with warm courage,
And high hope.

For we have the clear consciousness of seeking
Old and precious values.
For we are the builders of homes,
Homes for America's future.
Homes where living will be the expression of everything
That is good and fair.
Homes where truth and love and security and faith
Will be realities, not dreams.

The Mountain Star

VOLUME 26

AFTON, WYOMING, DEC. 20, 1950

NUMBER 1

Students See St. Louis

Don Berchtold and Merrill Brown, as Vo. Ag. delegates chosen last year on the basis of their home projects, traveled to St. Louis to visit the Purina Research Farm.

Leaving on a chartered bus December 1 with Idaho boys, they stayed at Denver and at Kansas City, Missouri, enroute to St. Louis. After three days in St. Louis they returned, spending nights in Kansas City and on Saturday.

While in St. Louis they the Purina Research Farming the various units on experiments and the experimental laboratories.

While at the Farm they royally fed. At one dinner each were served a broiler plus all the "fixings." also attended a banquet Johnson Hotel.

Don and Merrill undoubtedly had a good time. They urge FFA students to work to this trip.

Dramatics Club To Be Organized

A dramatics club will be organized at Star Valley High in near future. A point system will be drawn up, points being given for various work—stage management, make-up, all phases of dramatics. Points will be given for work in assembly program as well as in productions.

Students who have done work in dramatics so far this year will probably be charter members of the club.

Since the constitution of the Star Valley High School already makes provision for dramatics awards, the new club will follow that plan so that a new amendment will not be required.

11 Students Form Exodus From SVH

Several students who registered here this fall have left the halls of SVH for other parts of the country. Several went to warmer climates: Ted Lallathin to Hawaii, Jack Jensen to California, Neal Pifer and Nola Slater to Nevada. To Jackson went Gail Miles, Gary Perrine, Barbara Gentelle. Nelda Clark went to Salt Lake City, Marlene Ulrich to Boise, Marlene Anderson to Idaho, and Gloria Christensen to Oregon.

Christmas Parties Held Faculty

The teachers and their partners met at the Valleon last Thursday night for their Christmas party—a turkey dinner; and they must have had a jolly time.

Coach Nelson was Master of Ceremonies. The program included a vocal quartette by Mr. Chadwick, Mr. Gollahar, Mr. Campbell and Mr. Tippetts. Mr. Holdaway played his saxophone, and Mr. Tippetts his trumpet. Jokes were given by Mr. Demorest, Mrs. Demorest, Mr. Leach and Mr.

What Are We Doing?

In making a survey of the classes, we discovered that almost everything is being learned around here—from Shakespeare to Galileo. If we don't watch out we might be getting educated!

Mr. Porter's general science classes are star gazing—astronomy, that is.

Two sections of algebra are having the fundamentals of that mathematical science pounded into them by Mr. Holdaway, while Mr. Campbell is endeavor-

Christmas Activities Precede Holiday

Students will get in swing for the holiday season with activities at school Friday—an assembly sponsored by the Seminary and a matinee dance sponsored by the Student Council.

"Christmas Variety" is the theme of the assembly to be given at 1:15, followed at 2:15 by a dance with Ern's orchestra. Both will be held in the Stake House.

Class schedule for Friday is regular morning classes with period before assembly. student council added to Christmas spirit by decorating Christmas Tree in the hall.

Band Plans Pep Tunes

Approximately thirty members have been chosen from the ad-band to play in Pep Band year. This group will be at all home games and presenting half-time acts at some of the games. have been made and practiced in preparation for a game maneuver at the Green game January 5. Mr. Tippetts says that they would like the Pepstars help with their maneuvers.

of the members are order-takers on which will be a pep band emblem or let all members of the Pep will receive 50 points each toward a major letter in and most are working diligently toward that award.

The band would like it known that they are 100 per cent behind their team and plan on showing it by playing faster, swingier, peppier music.

Operetta A Success

The operetta *Lelawala* was a real success, and each member gave a very good performance. It brought out a lot of hidden personalities, revealing several good singers and actors. The scenery could hardly have been distinguished from a real forest. The cast put in a lot of time and practice on the operetta, and were rewarded with good results.

Making Booklet

The English department is making a booklet of Christmas poems and stories which will be distributed Friday. The fourth period type class and journalism class are helping with the publication.

JOURNALISM

Under the direction of Miss Veigel, this staff has published the weekly Mountain Star. Every six weeks, the staff is changed giving everyone a change to work on different projects.

MIXED CHORUS

This year has been a most successful one for the mixed chorus. They have presented the operetta, "*Lelawala*", participated in a mid-winter concert, presented a one act play, "*Tobacco Road With De-tours*", and competed in the annual spring music festival at Kemmerer.

A new addition to Star Valley High School is the Dramatics Club. It is based on the point system. A person with one point may be a pledge member and may maintain this membership by earning ten points a year. A person receiving thirty points will receive a dramatics pin award.

Sandy	Cherie Miles

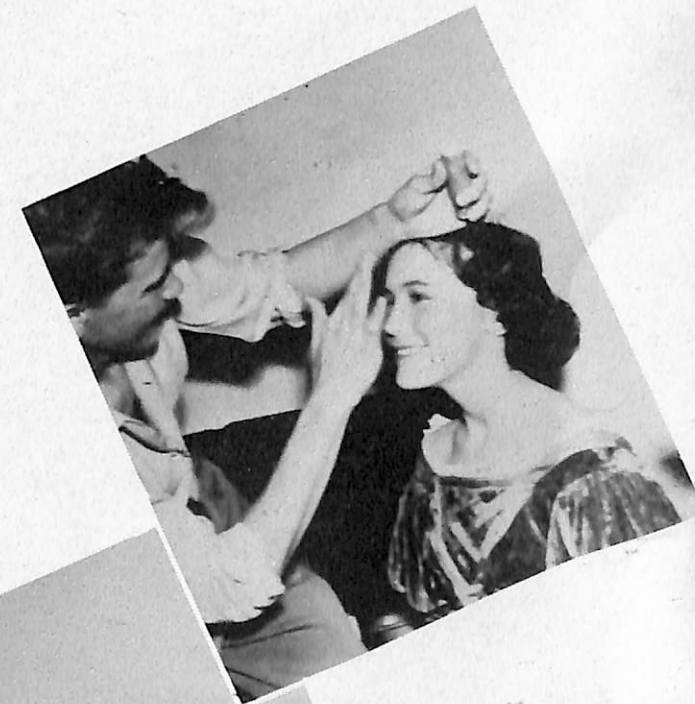

IN KING ARTHUR'S COURT

The cast takes time out to get a few pointers from the directors, Mrs. Demorest and Miss Veigel.

Caught in the act!!

Being made up for the big event.

Lelawala

"Father! Do not shoot! We are safe!"

The beautiful Legend of Niagara, the "Thunder Waters" of the Indians, provides the background for the play. When war is threatened by the Delawares, a much larger tribe than the Oniahgahrahs, the Spirit of the Waters is appealed to and again demands the sacrifice of a virgin. Lelawala volunteers. Shungela, the Wyandot Chief's son, also appears for a second time to sue for the hand of Lelawala and is again rejected. Burning with hurt pride, he kidnaps her and Mable, killing Lelawala's brother Klolowar. Eagle Eye saves the two maidens, and Shungela is captured. Sowanas, lover of Lelawala, who has been thought dead, arrives. He is heart broken to learn of her impending sacrifice and urges her to fly with him, but she remains faithful to her tribe. As Lelawala is about to enter a flowered canoe, a messenger from Shungela arrives with the news that the Wyandots have overcome the Delawares in war and killed their chief. Marpeetopah also brings a new message from the Spirit of the Waters sparing Lelawala.
