Star Valley High School

Afton, Wyoming
1960-1961

Editor Paula Reeves
Business Manager Linda Lee Miles

Yearbook Queen: Polly Reeves

Yearbook King: Kent Erickson

Judy Croft was the student body's choice for Homecoming Queen of 1960. Her sparkling personality has made her a very popular senior. She has participated in many extracurricular activities such as the Cadence Corps. Plus this she was the editor of the Mountain Star, our school paper. Chosen to reign with her were four deserving attendants: Lynette, Maurine, Joyce and Gayle. The queen and her attendants made a very attractive picture. They added a great deal of beauty and success to this Homecoming.

Crowned as Sweetheart King and Queen were Walden Draney and Helen Fluckiger. Vern Crook and Leone Call were the attendants.

This group, Lynette Haderlie and Nora Jo Bagley, Girl Staters, and Eugene Draney and Michel Call, Boy Staters, spent a memorable week during the summer of '60. The girls went to Laramie and the boys went to Douglas. Both groups studied procedures of the House and the Senate. They were entertained at the Governor's mansion in Cheyenne. Out of a large group of girls, Lynette was one of three who was chosen to perform on television. She did a tap dance.

Inkslinger Royalty

Marsha Preston with her two attendants, Helen Carter and Louise Call, were chosen for this year's Inkslingers Royalty. All three of them have been an asset to the school. They have been extremely active in extracurricular activities. Marsha is one of the senior cheerleaders. Helen is president of the cadence corps. Besides other royalty, Louise has been a Homecoming attendant. As Seniors, all three have served on the year-book staff.

The Sophomores' choice for the best personalities was Janet Robinson and Jim Wheeler. Janet's winning personality has made it possible for her to be chosen a second time for this position. As a sophomore she was on the Seminary Council and was also initiated as a Pep Star. Jim has a talent for making and keeping friends. He was recently elected to the position of Seminary President. He has played on the J.V. basketball team. Through their efforts Janet and Jim certainly deserve this honor.

Alan Linford and Gayle Dana were chosen as the Freshman best personalities. One can see why by just noticing them in the halls. Gayle was the Freshmen's Homecoming attendant and was recently voted in as a pep star. Alan is the Freshman Class President. Both Gayle and Alan have a bright high school future ahead of them.

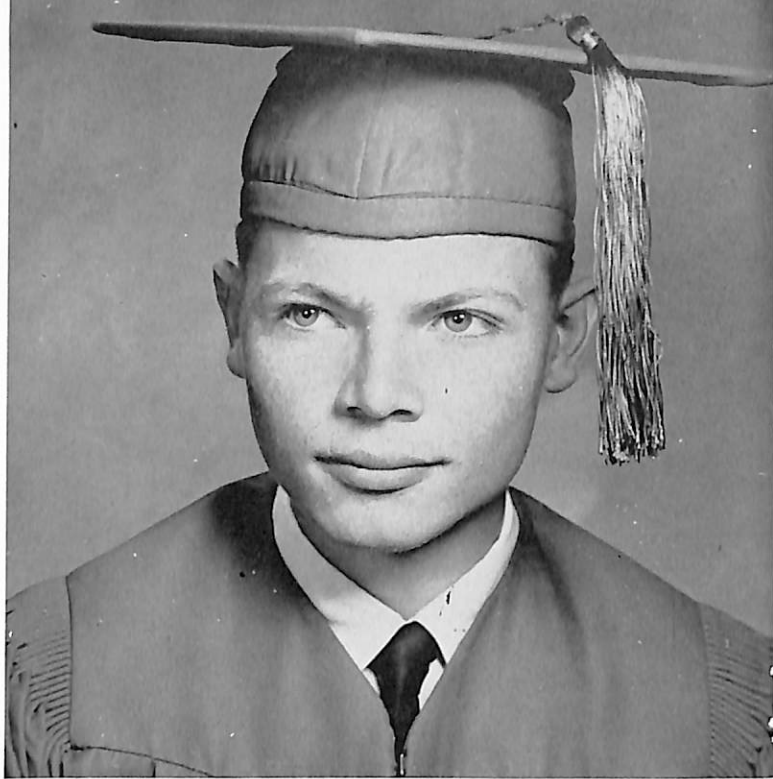

Clara Rainey and Errol Bagley were chosen as the top Junior personalities. A glimpse into their high school records will show why they were elected. Clara has served on the Seminary Council. She has also been a member of the Pep Stars. As a Sophomore she was the Harvest Ball Queen from Freedom. Errol was President of the seminary. He was on the J.V. basketball team. Both are well known for their friendliness and popularity.

The chosen senior most pleasing personalities were Ryck Luthi and Helen Fluckiger. They were voted in by the Senior Class because of their warm smiles and friendly hellos. They usually work harder than they appear now because Ryck has been in many school activities including band, and he was chosen the senior boy with the most school spirit. Helen has held several school offices and has been chosen for many royalties, besides receiving the honor for being the friendliest senior girl.

Throughout her four years of high school, Paula Reeves has been a leader in scholastic achievement. Her name has been a steady occurrence on the Honor Roll. However, not all of her time was devoted to academic work. She has also been active in extracurricular activities.

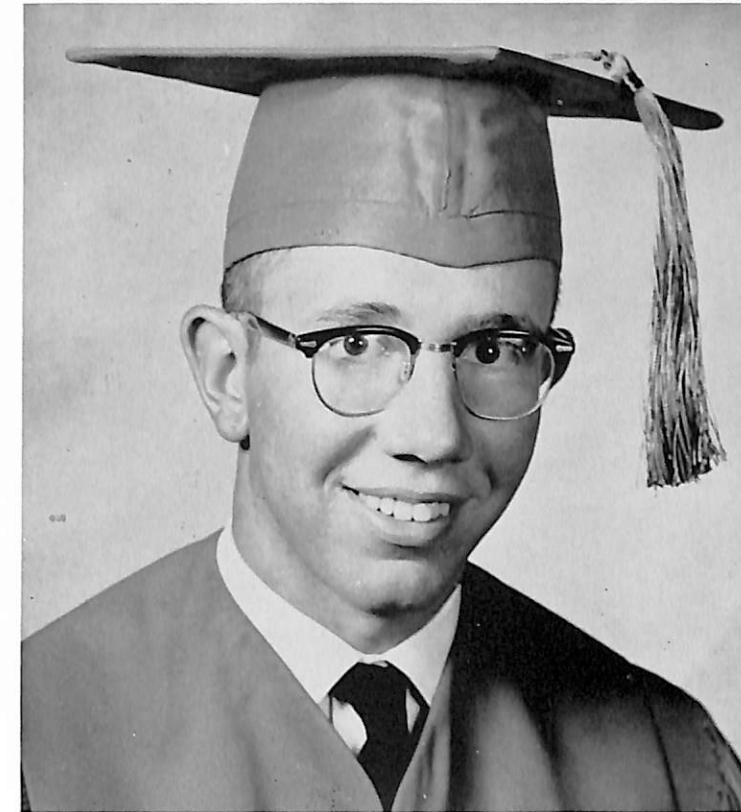

Known throughout the school for his mental and scholastic abilities is Michel Call. Michel has also taken a very large part in the music department by being in the band. He has been on many assemblies and has participated in concerts and other musical programs. As a member of the Honor Society he served as vice president. He attended Junior Legislature for two years. He has worked diligently and has excelled in academic achievements.

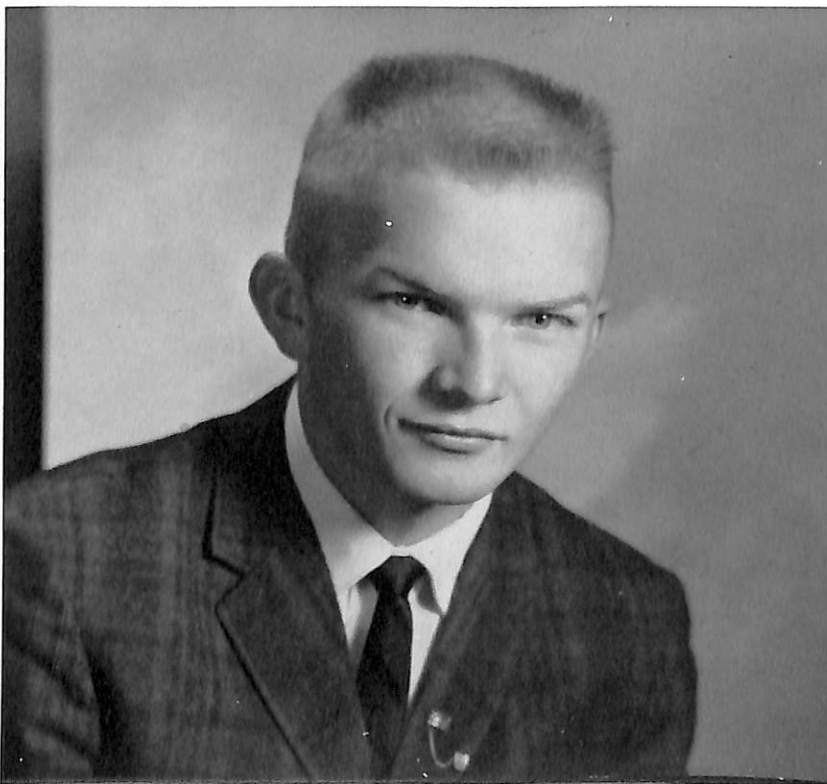

Wynn Hemmert has maintained a high grade average throughout his four years of high school. Because of his high scholastic ability, he has been able to spend much of his time participating in various activities. He is especially talented in the musical field. He was conductor of the Pep Band and was among those who went to Junior Legislature. During his last year he was president of the Science Club and the National Honor Society. A quick glance through Wynn's record shows how he earned this position.

Paul Stauffer is among the top seniors in our school. His name has always been a common appearance on the Honor Roll. Nevertheless he hasn't directed all of his talent toward studies. Besides being a scholar he is also an ardent sportsman. As a basketball player, he has been on both the J.V. and varsity teams. He was a representative at Junior Legislature and at speech meets. Paul has worked hard for this honor and he certainly deserves it.

Star Valley High's Honor Students of 1960-61

Through persistence, participation and popularity, Walden Draney earned the Citizenship award. He started his high school career as vice president of the freshman class. After two years, he was chosen as president of the Seminary. To make his record complete he was elected to the office of student body president. He is not only a leader but has also played basketball and football. Although this is a brief sketch of his achievements, it is easy to see that Walden's four years have been well spent.

Paula Reeves was chosen to receive the Citizenship award for the 1960-61 year. Her participation and achievements have earned this honor for her. As a Pep Star she held the office of president. Polly was a member of the F.T.A., Honor Society, Thespians and was secretary of the Science Club. Out of the Senior Superlatives, she got the Best All-Around and the Wittiest. She was voted in as Yearbook Queen. She has served on the Student Council because of her position of yearbook editor.

This large group received awards in the field of commerce. Type, shorthand and bookkeeping pins were given.

Assembly*

Scholarship winners are as follows: Mary Hood, County Commissioners; Linda Miles, Pharmacy Scholarship; Carol Johns, Ricks College Scholarship; Michel Call, Brigham Young University; Wynn Hemmert, University of Utah; Dixie Henderson, Cleone Corsi, Duane Perry, Robert Campbell, Judy Miller—Alternate for University of Wyoming Scholarships.

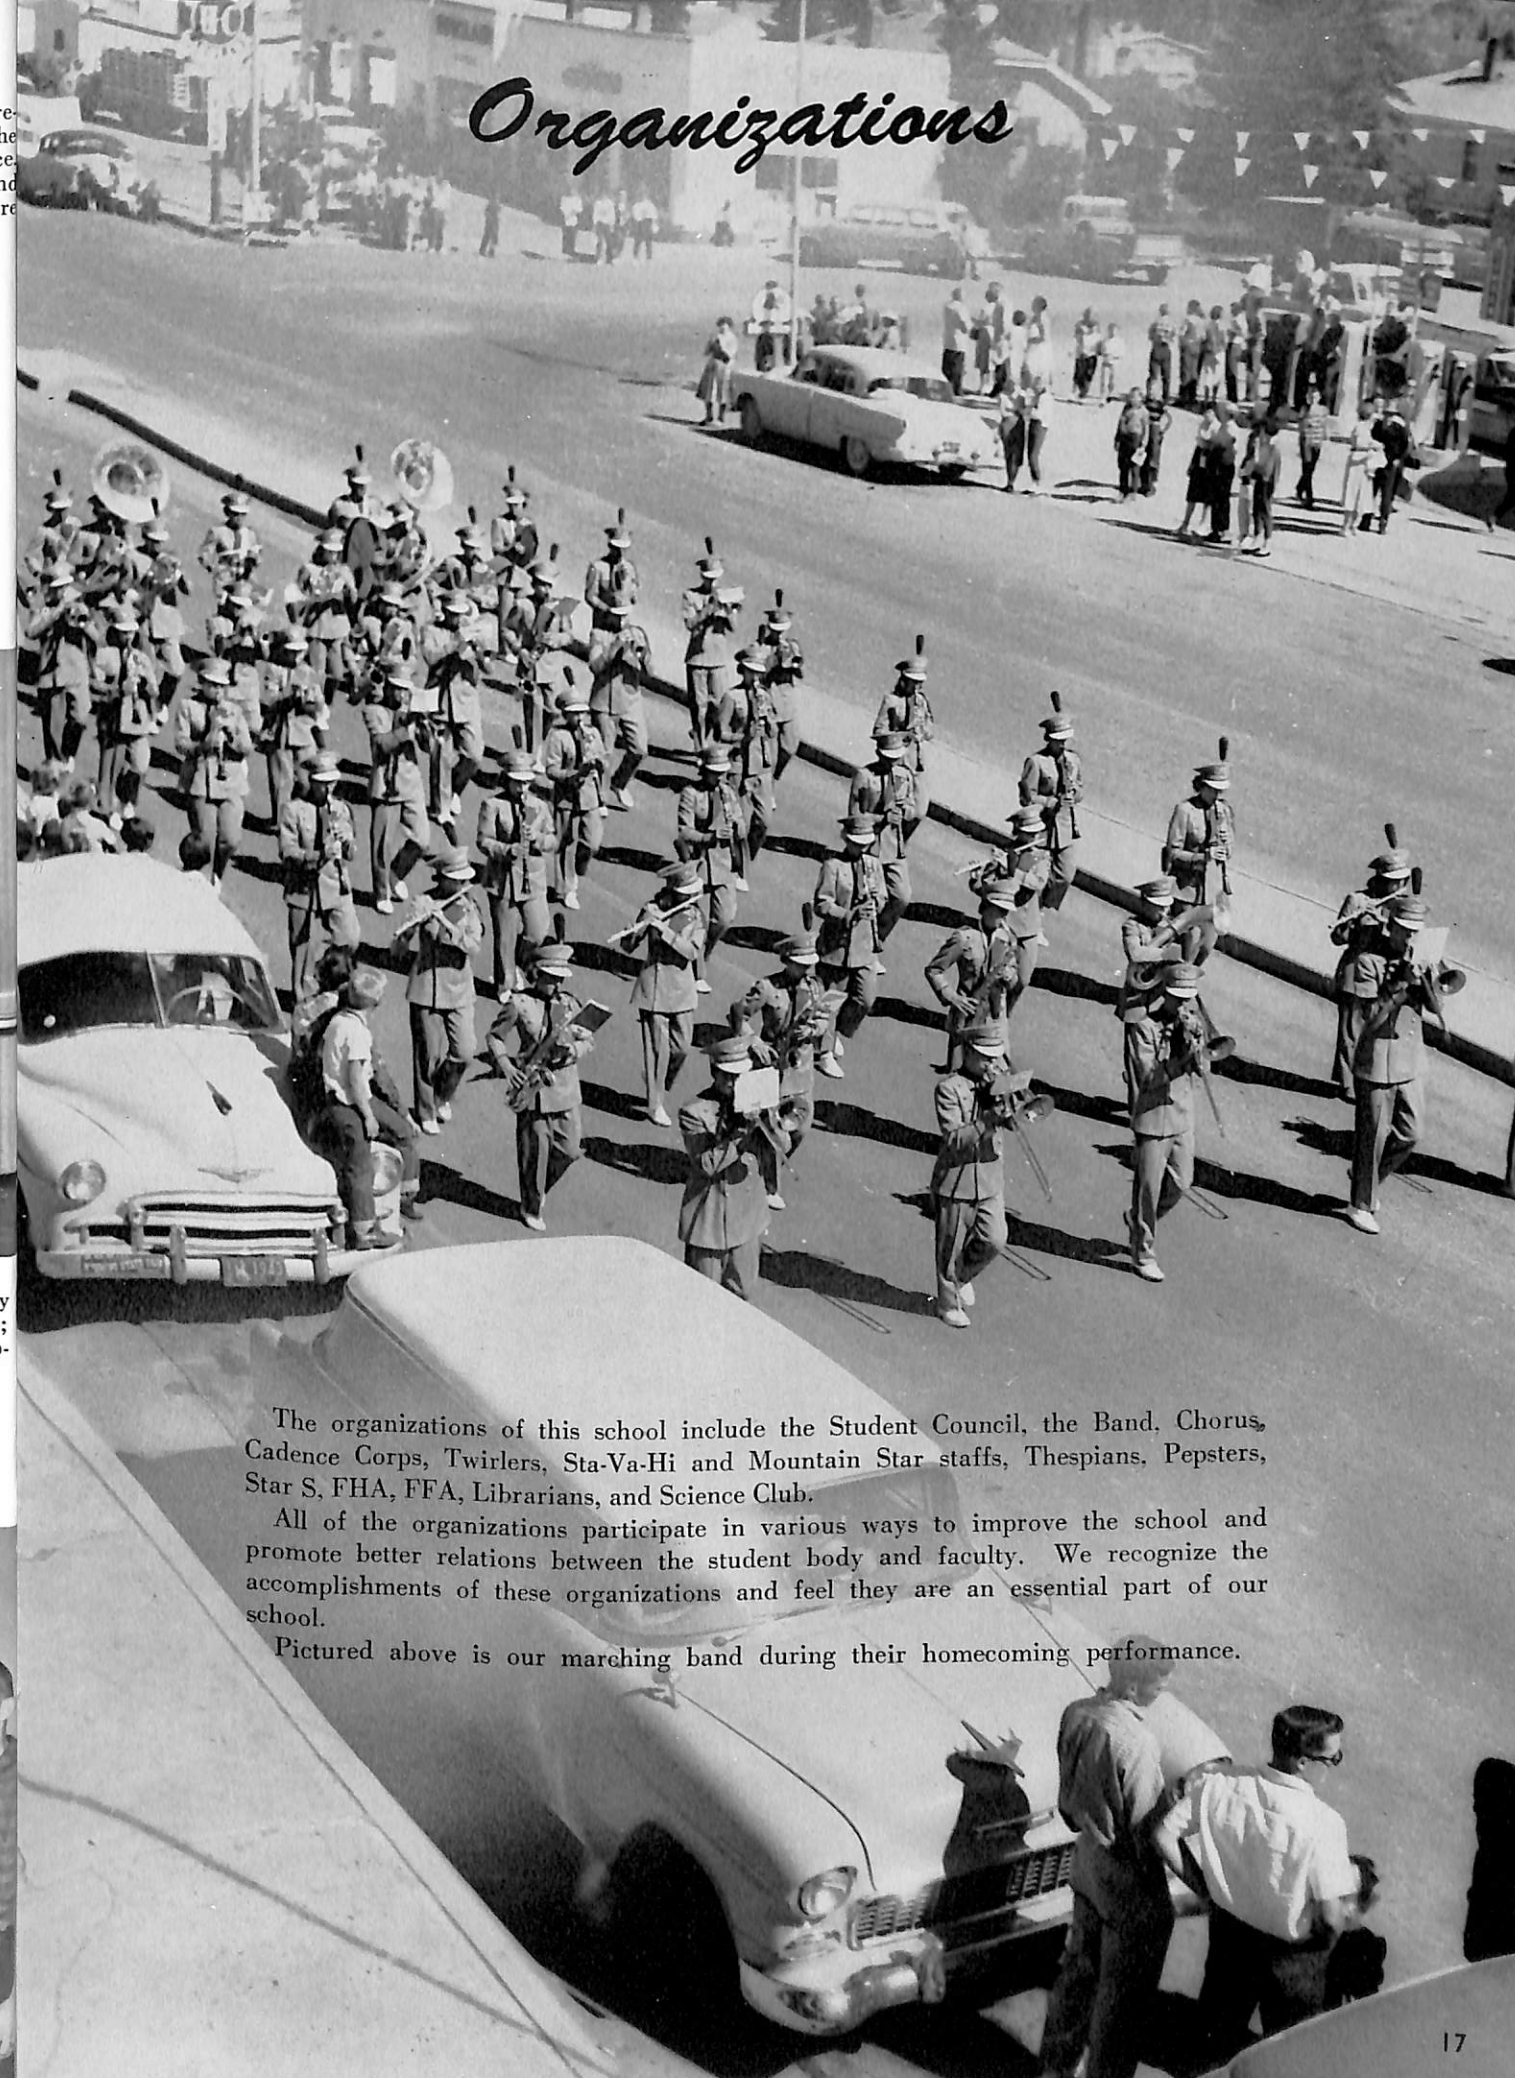

For outstanding achievements in their English classes, these students received gifts from the English Department.

Mr. Grasse awarded Robert Campbell a prize for winning the Conservation Essay Contest.

Organizations

The organizations of this school include the Student Council, the Band, Chorus, Cadence Corps, Twirlers, Sta-Va-Hi and Mountain Star staffs, Thespians, Pepsters, Star S, FHA, FFA, Librarians, and Science Club.

All of the organizations participate in various ways to improve the school and promote better relations between the student body and faculty. We recognize the accomplishments of these organizations and feel they are an essential part of our school.

Pictured above is our marching band during their homecoming performance.

Walden was very efficient in taking care of our many assemblies.

STUDENT BODY OFFICERS—Left to Right: Steve Erickson, Vice President; Helen Fluckiger, Secretary; and Walden Draney, President.

The governing body of the school is the Student Council. Various departments are represented by the members. Leadership, friendliness, co-operation, compromise and hard work all are important factors in making the school year a success. The decorated tree at Christmas time helped boost our Christmas spirit.

We feel that we have had a very successful year with the best Student Council yet. Thanks, Student Council, for your efforts for they made our school more enjoyable.

The Star Valley High School Band plays an active part in our school.

The band presented two excellent concerts for the student body and general public. They not only please us with their concerts, but they come up with some original and entertaining halftime shows at our ball games.

The band took several trips this year. They went to Logan and marched in the U.S.U. Homecoming parade. Some of the outstanding members participated in the interschool concert at Jackson.

Some members of the band joined together to form the Pep Band, which plays at all our games. They really helped cheer our team to the top and in general really lifted the school spirit.

We thank the Star Valley High School Band for the entertainment and enjoyment they've given us this year.

Sta-Va-Hi Singers

The Star Valley High School Chorus was really tops and did some outstanding things during the year.

They presented the very outstanding operetta, "Li'l Abner." Selected members of the chorus went to Jackson to an inter-school concert in November. The whole chorus went to Kemmerer on April 29, to participate in the inter-school contest. The chorus was given a one rating and several soloists received high ratings. The chorus participated in two concerts given for the public during the year. Everyone thought it was an outstanding chorus.

The glee class is a preparatory class for chorus and the members certainly received some valuable training under the direction of Larry Smith.

FLAG CARRIERS: Evelyn Crook, Susan Young, Sue Hurd, Susan Fullmer.

Cadence Corps

Adding pep and style to our band are the Cadence Corps members. Their colorful costumes, clever arrangements and difficult steps received much praise as they participated in the various band activities throughout the year. Some of these activities included participation in the Logan homecoming and in the annual music festival which was held this year at Kemmerer. Also, the Prancers and Twirlers helped add interest and entertainment to the football and basketball half-time shows with their clever steps and maneuvers.

Staff Members—Working?

Some of the activities of the yearbook staff this year were selling at a football and a basketball game and sponsoring two dances, one at which the yearbook king and queen were crowned. Preparation and work were always involved in making these occasions a success. All profits made were applied to our yearbook expense.

Our Staff Worked Hard . . .

Mr. Grasse gives staff a few good tips on improving our yearbook.

MR. JAMES GRASSE, Advisor

Papers, pictures, copy, layout sheets, hard work, endurance, and co-operation are all important factors in putting out a successful annual. The staff members worked hard putting between these pages things which will be cherished in our memories. We designed our own cover this year and are very proud of it.

Everyone has a big time on Star S initiation day but the new Star S members.

The Star S Club is composed of the lettermen of S.V.H.S. The club sponsors as its main function an outlaw tournament every spring. To be eligible for membership, a boy must earn a major letter in one of our four major sports. An initiation is held every year following the presentation of the letters. They give an award for the outstanding basketball and football player every year.

STAR S MEMBERS—FIRST ROW, Left to Right: Van Hokanson, Paul Stauffer, Duane Perry, Walden Draney, Robert Campbell, Laron Olsen. THIRD ROW: Coach Monsen, Larry Jenkins, Lanny Swenson, Eddie Hunsaker, Vern Osmond, Joel Gardner, Donley Linford and Coach Robinson.

Many were the screams and yells heard as the Pep Stars cheered the Star Valley Braves to victory. The Pep Star Club, a service organization, spent time performing many good deeds throughout the school this year. The main thing they were noted for is the up-lift they give the school spirit. Each member wears the club uniform consisting of a white blouse, a navy skirt, and a red vest each Friday and to all ball games.

The honorary members wear white sweaters and navy blue skirts. They are the senior members who have gained the necessary number of points and have been a member of the club for two years previous.

The increasing membership of the Future Farmers of America is a good indication of its success. Special training under the expert advisor, Mr. Haderlie, has brought about interest and concern for America's future farms. Various activities, along with classroom experiments, have increased interest as well as improved the members. Public speaking and livestock judging were among these. Bryce Erickson, through his various achievements and participation, became first State Farmer from the local chapter since 1943.

Our many projects were very successful. The annual Sno Ball dance where queens and attendants were crowned, the parent and son banquet, the greenhand initiation and our assembly were special highlights of our year.

A very successful club this year was that of F.T.A. The meetings which were held on the first and third Thursday of the month were informative and interesting. The assembly sponsored by the Club provided an hour of fun and enjoyment for the student body. During the Christmas Season they had a party which featured games, refreshments and entertainment. The members all worked toward going to the Future Teacher's State Meet. The officers and Mrs. Ranzenburg did a good job of keeping the club progressive, educational and entertaining.

Although the activities and accomplishments of the Science Club were few, many interesting hours were spent studying earth sciences, physics, and chemistry. This club, being organized to promote interest in science, has been quite successful in achieving its purpose this year.

N.H.S.

The National Honor Society was organized on March 14, 1961, in the Star Valley High School. The purpose of this chapter, according to its constitution, is to create enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to encourage the development of character in its members. These persons are to be congratulated for their membership in this highly-esteemed club.

Activities

Throughout the year the regular routine of school work is broken by the many activities which the students of Star Valley High may enjoy. Everyone looks forward to the school play and the operetta featuring our many talented students. Each class and organization puts on an assembly and some sponsor dances throughout the year. Dances, assemblies, plays and the operetta are included in this section.

Bali Hai . . .

was the theme of our Junior Prom this year. The decorations consisted of tropical island scenes in beautiful contrasting colors. The juniors really worked hard to make it a successful prom and everyone that attended agreed that it certainly was.

The seniors and juniors marched in the promenade and one dance was dedicated to them.

We'll always remember the wonderful time we had at the '61 Junior Prom.

The mighty Seniors again captured first place on their float which was a huge multi-colored peace pipe.

The Seminary float placed third for the second consecutive year. Those pictured are Janet Robinson and Rhonda Taylor.

The seniors started the pep rally by the annual lighting of the star. A long line of cars followed the truck which picked up teachers. The climax of the evening was the burning of the dummy. After cheers and songs, the pep rally ended with the snake dance.

"I'm Just a Lonely Boy" was the song pantomimed by Helen and Polly on the Homecoming assembly.

Participation Brings Enjoyment

Two plays were presented to the high school this year. The school play, "FAMILY PORTRAIT," featured an insight to Christ's life. Its timely performance, being near Christmas, made it extra special. The cast got a lot of enjoyment and development out of putting it on, and the spectators received a couple of hours of relaxation and enjoyment by seeing a performance. Mrs. Myrna Brown did a very fine job of directing this play. "JOHNNY BREAKS A DATE" was a short one-act speech play presented to the student-body. This play was taken to speech meet where it received a very high rating. Being on the humorous side, it brought many giggles and laughs from the audience. We are very proud of these students, their advisors and their fine productions.

"Li'l Abner" . . .

was the operetta presented by the Star Valley High School music department this year. The operetta, which was based on Dogpatch characters created by Al Capp, was expertly directed by Larry and Bonnie Smith.

It was presented to the public in two evening performances on March 9-10, 1961. The high school student body enjoyed a matinee on the 10th. The general opinion expressed by the public was that "Li'l Abner" was one of the most outstanding operettas ever presented by the high school.

COURTESY KIDS: Martha Burton, Curt Call, Joan Davis, Jed Robinson, Karen Parsons.

F.H.A. Activities

The courtesy kids were chosen by the popular vote of the teachers. Courtesy is an admirable quality to possess and adds to the character of anyone. These persons are courteous, and they have helped promote a good feeling of helpfulness and friendliness to our school.

Mr. Phillip Robertson, *Favorite Teacher*

Other F.H.A. activities included the choosing of a favorite teacher. Each student was given a chance to vote for the teacher of his choice. Mr. Robertson is well liked by all the students and will always be remembered for his friendliness and his sense of humor.

Edna West placed second in the state in the Betty Crocker search for the Homemaker of Tomorrow. She received a very valuable scholarship and brought honor to our school. We're proud of her and her achievement. Congratulations, Edna.

The long-awaited day is here. The usual classroom study is broken into by last activities such as Commencement. Excited voices, hurrying feet, busy days, sleepless nights—all these are familiar to the close of each school year. The schoolhouse is deserted and only a few traces of student life are left. The seniors are leaving old S.V.H.S. for the last time but new freshmen will take their places.

"Build to

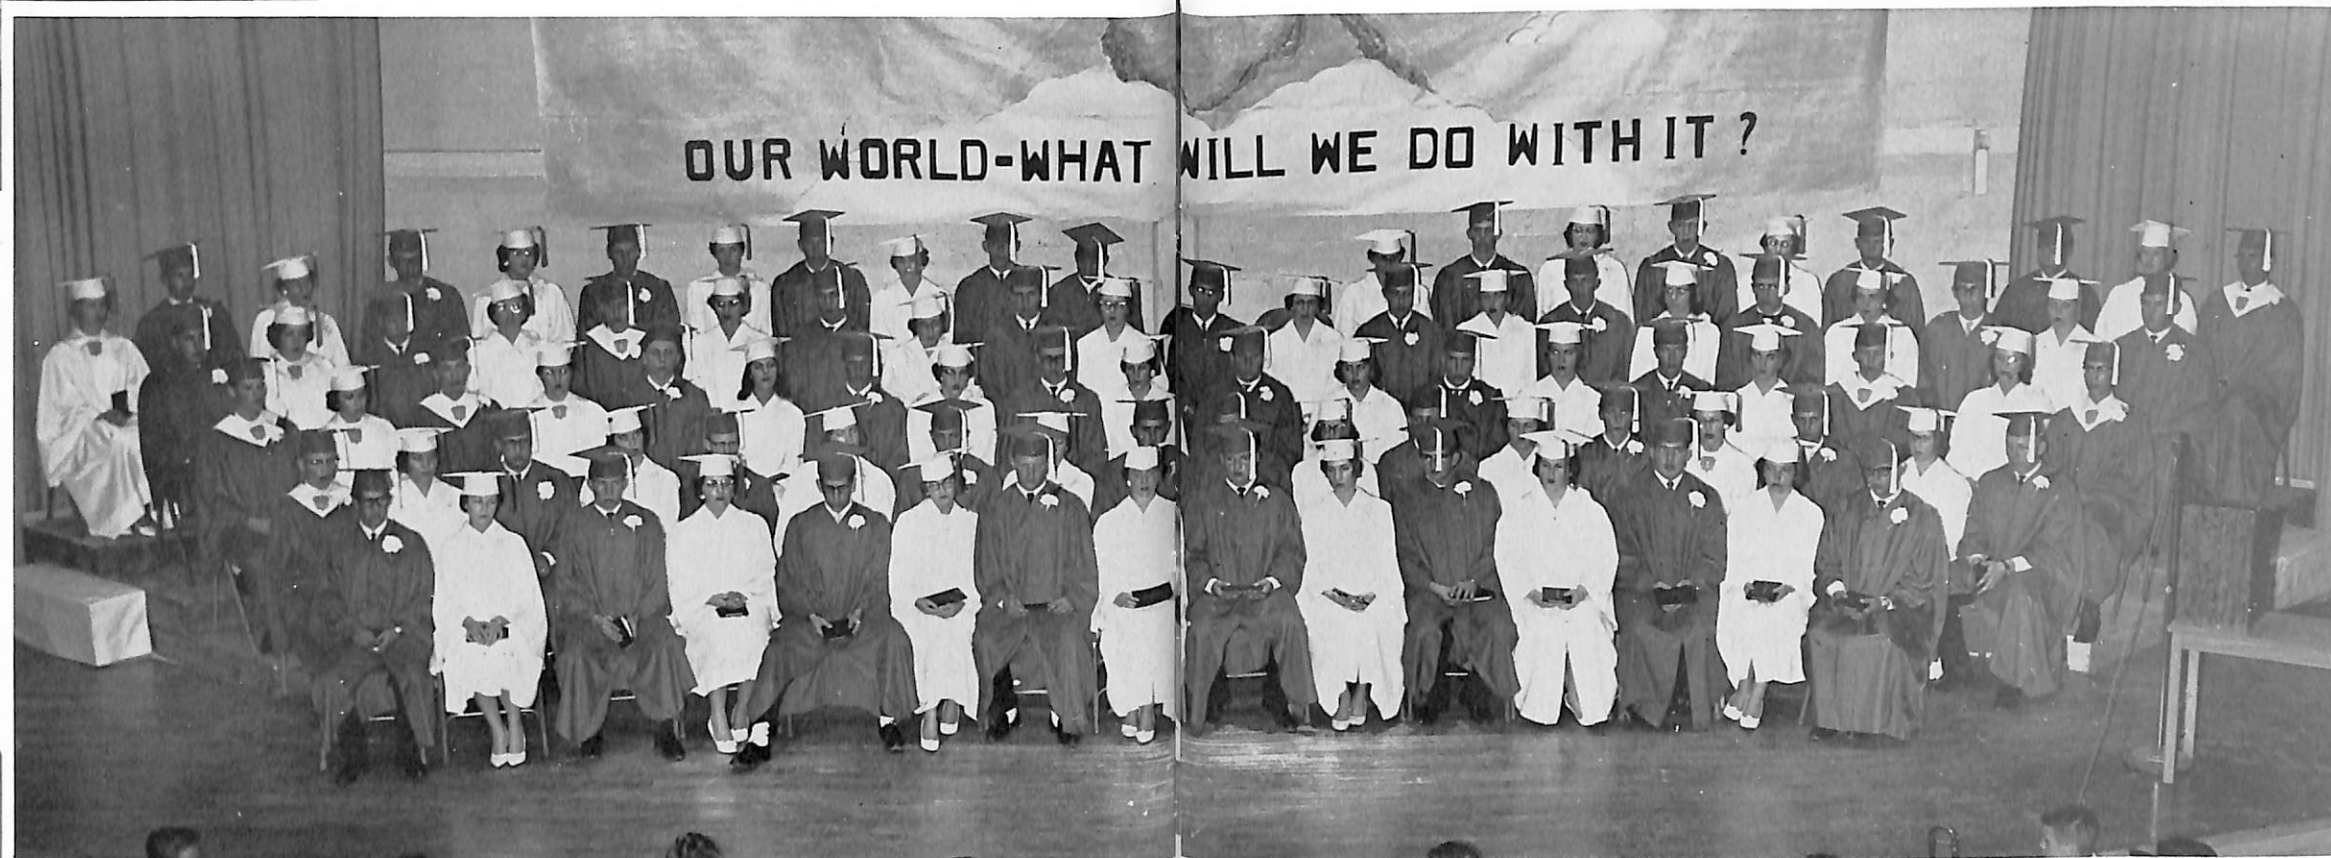

The theme chosen for graduation was "Build to Stand." All events for the evening were centered around this theme including the graduation program and the commencement dance. The backdrop "Our World—What Will We Do With It?" was drawn by Judy Miller and Eugene Draney. Those giving talks were Wynn Hemmert, Valedictorian; Michel Call, Salutatorian; Paul Stauffer, Paula Reeves, and Dixie Lee

Mr. Call gives special instructions to those on the program.

Stand"

Henderson. Along with the talks, there were three musical numbers.

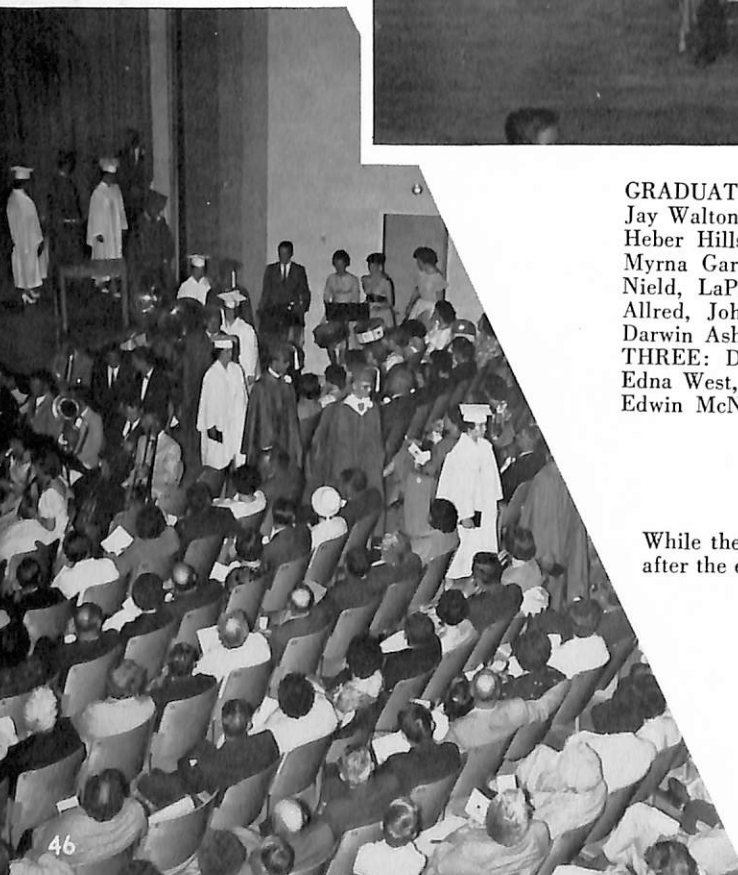

This day will be one to always remember—to cherish each moment, from the excitement of opening gifts and putting on caps and gowns and corsages, to the receiving of diplomas representing twelve years' work, and being congratulated by parents and friends. The annual dance was sponsored by the Sophomores.

While the audience looks on, graduates march out after the exercises.

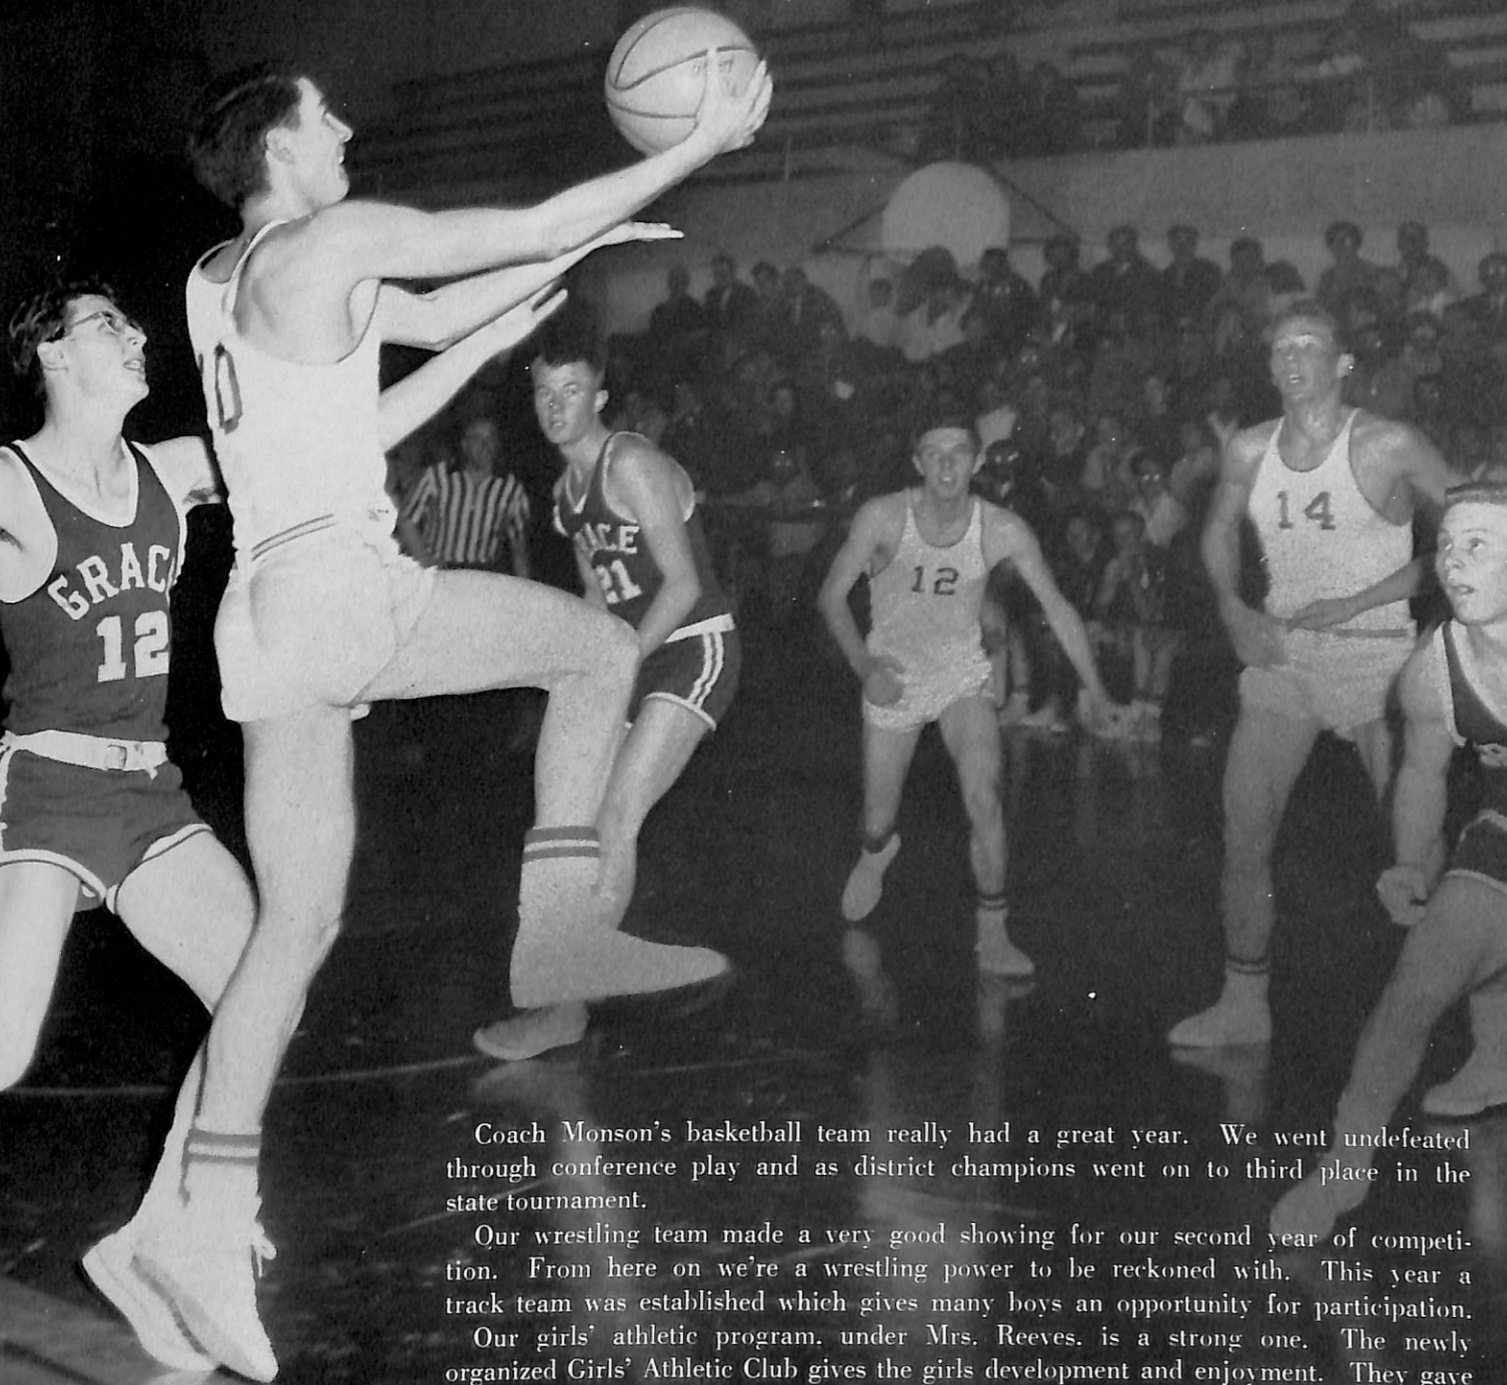

Graduates assembled together for the last time in the gym. Although they are glad to be graduating, a bit of sadness is felt because they are leaving Star Valley High.

Athletics

We read a lot about over-emphasis on sports in our high schools and colleges. Our school is undoubtedly guilty of this. However, by making unusually high scholastic requirements for eligibility to participate in sports, we do recognize the prime importance of scholarship. Our athletes must be recognizably good students.

Our showing in football doesn't look good on paper but those of us who saw the games can't be anything but proud of our team. This was a building season and it looks like next year we'll really be able to push that pigskin around.

Coach Monson's basketball team really had a great year. We went undefeated through conference play and as district champions went on to third place in the state tournament.

Our wrestling team made a very good showing for our second year of competition. From here on we're a wrestling power to be reckoned with. This year a track team was established which gives many boys an opportunity for participation.

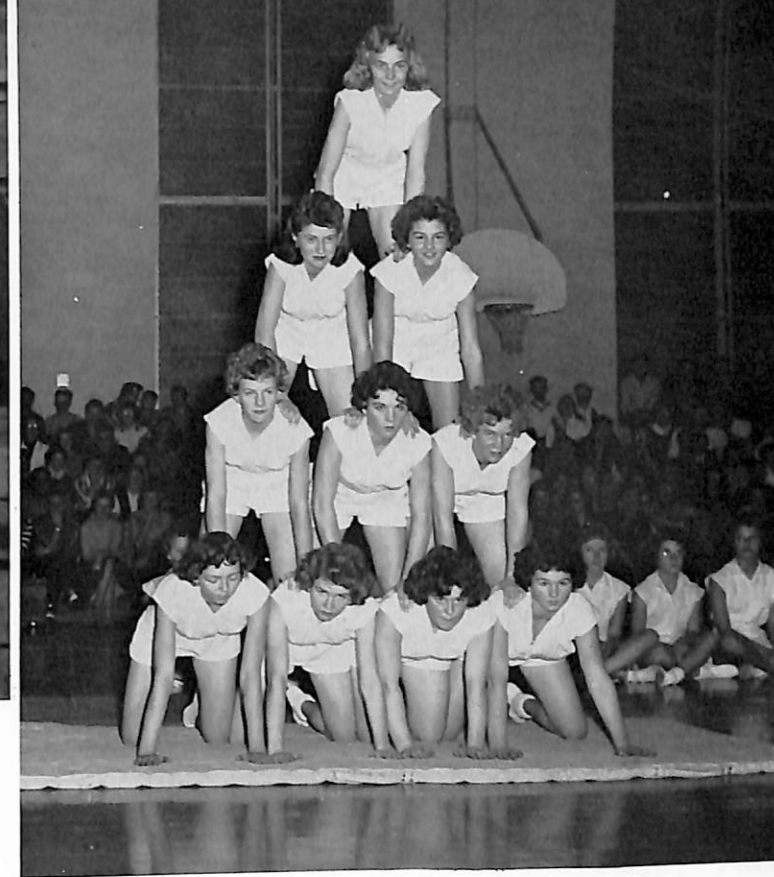

Our girls' athletic program, under Mrs. Reeves, is a strong one. The newly organized Girls' Athletic Club gives the girls development and enjoyment. They gave entertaining shows during half-times at some of our basketball games.

ROW 3: Mrs. Reeves, Lynette Nield, Karen Hinck, Tanna Miles, Ida Beth Aullman, Anna Gale Grisham, student coach Edna West.

This year our home basketball games have been made more enjoyable by the performances at halftime by members of the girls' athletic club. The club consists of tumblers and dancers. The members practice once a week and their performances show that much has been accomplished in the short time they have been organized. They are taught and coached by Mrs. Reeves, who must feel compensated, at least in part, for the time she devotes by the excellent performance of her charges.

The Score Wasn't Always the Story

In terms of wins and losses, the Brave footballers 2-7-1 season's record is not the best. Because of injuries and lack of experience, the Braves were unable to match their last year's performance, when they won the conference championship. Several of the games lost were by narrow margins, and our team showed real spark and polish in parts of almost every game. The team looked well coached, but inexperienced.

All in all we feel that we had a good season, a building season. While we are losing several excellent players it is obvious that we will field a much stronger team next fall.

ROW 3: Coach Brown, Mark Nelson, Larry Bruce, Bob McKim, Dan Wilkes, Alan Lindford, Fred Campbell, Rodger Hillyard, Rowan Anderson.

The J.V. is important in our athletic program because from its ranks must come replacements for graduating varsity seniors. Our J.V. played only two games, both against Montpelier. We won 6-0 at home and tied 6-6 at Montpelier.

We played our last home game against Jackson-Wilson on a snow packed field. We looked very sharp and finished the season right by defeating them 39-7.

Practicing before a meet are Bruce Johnson and J. H. Merritt.

Wrestling Coach John Robinson is also ass't football coach.

S.V.H.S.'s Newest Sport

Wrestling, our newest sport, is proving very popular and is obviously a very valuable addition to the school's athletic program. While in only our second year of competition our boys are vastly improving and promise to bring many future honors to S.V.H.S. Coach Robinson is proving that he is a valuable addition to the high school coaching staff. We are proud of the fine accomplishments and sportsmanship showed by him and his boys.

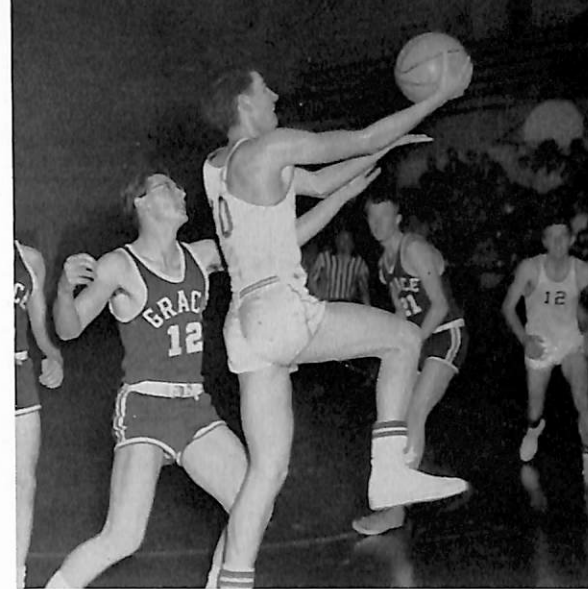

WRESTLERS—ROW 1: Mark Nelson, J. H. Merritt, Bruce Johnson, Bill Hoopes. ROW 2: Larry Bruce, Newell Crook, Donley Lindford, George Titensor, Coach Robinson.

District Champions

After losing a hard fought game at Montpelier, our team went undefeated through pre-season and conference-season play. We won 22 games straight. At the district playoff held at Green River we were hard pressed to stay on top. We squeaked by a hepped up Evanston team 43 to 40, and then barely got by Rawlins' fine team 58 to 54. We placed two men on the all-conference team, Joel Gardver and Steve Erickson.

We got off to a good start in the state tournament held at Laramie by defeating Newcastle 48 to 38 and then Rock Springs 41 to 35. We were then stopped by Sheridan 65 to 60 in an overtime battle. And then bounced back to win third place by beating Lander 63 to 49. Joel Gardner was named all-state for the second time.

For the first time in our history, S.V.H.S. boasts a track team. As the results of the meets listed below indicate, we are not yet in the championship class. However, the fact that our new team did pile up some points against first class track teams is encouraging. Prospects for the future look bright.

Results were as follows . . .

- Kemmerer meet 3rd place
- Rock Springs meet 4th place
- District meet at Green River 4th place

As a result of competing in the district meet, we qualified seven men for state competition. We congratulate our track team for their first year's accomplishments.

Cheering Our Team to the Top

MRS. GARDNER, Advisor

S.V.H.S. is the chant being led by the Star Valley cheerleaders at the Jackson basketball game.

Marsha Preston, Senior

Darlene McGavin, Junior

Lynette Haderlie, Head Cheerleader

Patty Child, Junior

Katherine Allred, Sophomore

The ringing chants that chilled the opponents and warmed the Braves were those from our cheerleaders. As the year progressed, more school spirit and loyalty were developed by the girls in Crimson and Gold as they cheered our team on to many victories.

Our distinctively dressed cheerleaders have always made favorable impressions wherever our teams have played. In past years when cheerleaders were judged and rated at tournaments, our girls always rated at the top. Even though the cheerleading teams are no longer judged, our student body can still be intensely proud of their performance.

Administration

The school administration is constantly seeking ways to improve our school. We recognize their fine efforts and express our appreciation to them. In the picture we see Superintendent Carwin Linford and Business Manager Harold Papworth observing the new addition to our school which was completed early this fall. The new addition contains a modern library, a faculty room and two classrooms.

Principal Gardner's versatility extends from his work into his personality. There we find a broad sense of humor and open hearted kindness coupled with an uncompromising determination in our common task of making SVHS a better school.

The efficiency of Mrs. Wanda Call is an asset to the Principal's office. Her ability to do the desk work as well as associate with the students is admired.

A warm smile, a vigorous handshake, and a brisk step are not all the qualities that characterize Assistant Principal Campbell. His genuine interest in school activities has won for him the friendship of the entire student body.

"Ready to help anyone" is Mrs. Dorothy Titensor, Guidance Counselor of S.V.H.S. With a warm smile and sincere attitude, she is an asset to students in choosing their future occupation. Mrs. Titensor finds time to be one of the Junior class advisors in spite of her busy schedule.

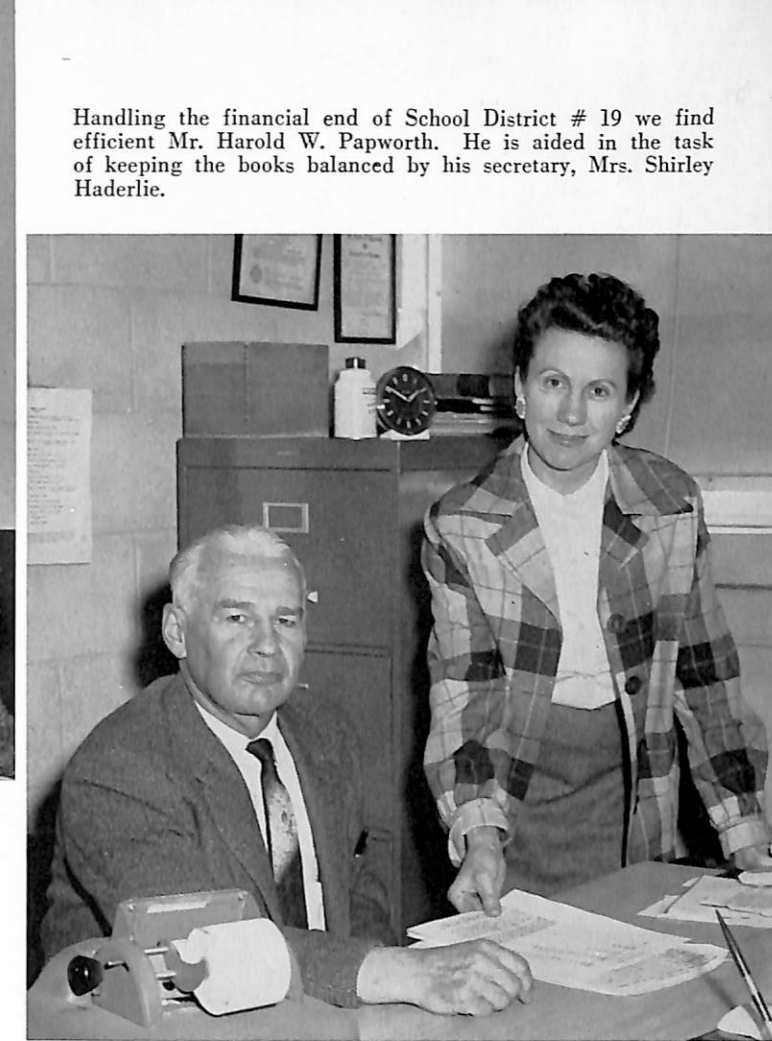

Here Mrs. Titensor is seen giving some helpful advice to La Mae Titensor.

Mr. Paul Stock is kept real busy by instructing all the biology classes in high school. He is also the advisor of the Student Council and helps them in making many important decisions. Despite his full schedule Mr. Stock finds time to enjoy his hobbies which are hunting and fishing.

His genuine interest in school activities has won for him the friendship of the entire student body. The complete accuracy of his secretary, Mrs. Joyce Brown, makes one of the most important jobs a lot easier for Superintendent Carwin H. Linford.

Handling the financial end of School District # 19 we find efficient Mr. Harold W. Papworth. He is aided in the task of keeping the books balanced by his secretary, Mrs. Shirley Haderlie.

These School Board members serve well at a job which demands sacrifice of time, the ability and courage to both make a decision and stand by it, and be strong enough to withstand criticism for a thankless job that is terribly important to all of us. SEATED AT THE TABLE, Left to Right, are: Robert Hastings, Rulon Osmond, Royal Preston, Denzil Wood, Alan Hepworth, and Glenn Miller. STANDING are: Superintendent Carwin H. Linford and Business Manager Harold W. Papworth.

James Grasse has been teaching Science and Journalism 11 at S.V.H.S. for several years. He received his degree at Colorado A.&M. He finds pleasure in the out of doors by hiking, hunting, and fishing.

Philip Robertson is another of Star Valley's fishermen. He has been at SVHS for three years, teaching World History and Problems of Democracy. He was schooled at University of Wyoming.

Mr. Gale Haderlie who has been with S.V.H.S. for several years teaches Vocational Agriculture. He received his degree at U.S.U. The experience he has had on his own farm has been helpful to him in his teaching career. He has proven his ability to work with boys by being the F.F.A. advisor.

Nord E. Wilkes teaches Geometry, Algebra and Commercial Math. He, being a native of Star Valley, chooses fishing and hunting as his hobbies. He attended Utah State University for his schooling. He is Junior class advisor.

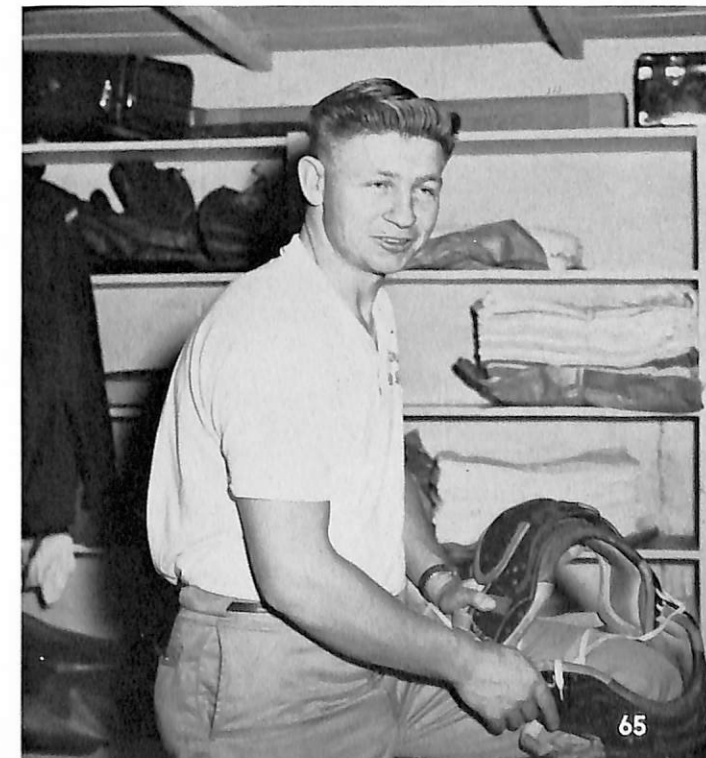

Maud Ranzenberg, our very capable Librarian, has been supervising Study Hall and teaching Library for the past two years. She graduated from Utah State University with a B.S. She collects salt and pepper shakers and stamps, and also enjoys doing genealogy work.

Sheryl Lewis, the Frenchman of S.V.H.S., received his degree at B.Y.U. He teaches French and World History. Mr. Lewis spends his free time making money, trout flies and fishing.

Mrs. Yvonne Reeves, hailing from England, attended school at U.S.U. She teaches Physical Education I and II and Art. She especially likes to do gardening, painting, reading, and to go swimming.

Coach Lewis Munsen attended school for one year at Snow Junior College and three years at B.Y.U. He teaches Physical Education I, II, and III. His hobbies are hunting, fishing and after coaching the Braves to many victories he admitted that he also enjoys football and basketball.

Miss Diana Pace, Senior advisor, graduated from B.Y.U. She now teaches Journalism I and English IV. She likes to read and enjoys music.

John Meeks, a new member to the faculty, graduated from University of Wyoming. Although he is qualified to teach English as well as History, he teaches American and World History. He enjoys fishing and hunting. He is a Senior advisor.

Lynn Brown graduated from U.S.U. He teaches Drivers Training, Physical Education, and Social Studies I and also American History. He was assistant coach and in charge of Junior Varsity football and basketball teams. He likes fishing, tennis, skiing, and bowling.

Miss Jannis Reeves graduated from USU and teaches English I and II. Despite being busy with other activities such as directing the Pep Club, she still finds time for her hobbies which are reading, sewing and sports.

Ivan L. Call is also a Senior advisor. He graduated from the University of Wyoming with a B.S. degree in Engineering, and graduated from University of Utah with a masters in Math and Science. He teaches Science, Math and Mechanical Drawing. Mr. Call is a city engineer and says he is too busy to have hobbies.

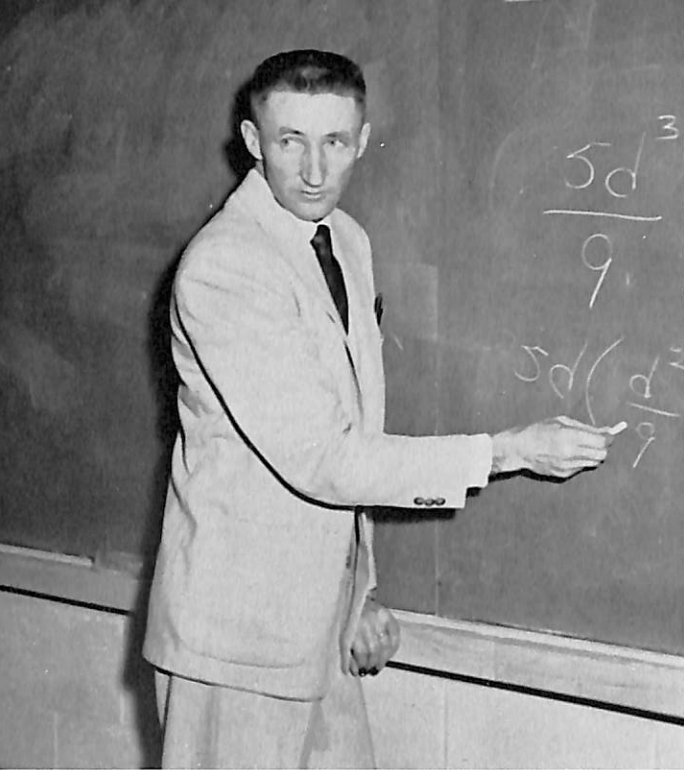

Reed Brown, Sophomore advisor, teaches Type and Bookkeeping. He received his degree from B.Y.U. He enjoys sports, especially fishing.

Larry Smith, Utah State's "Music Man," carries through with the title while teaching S.V.H.S. band and chorus. He likes to compose music. He also is a member of the four piece dance band, "Swing Kings."

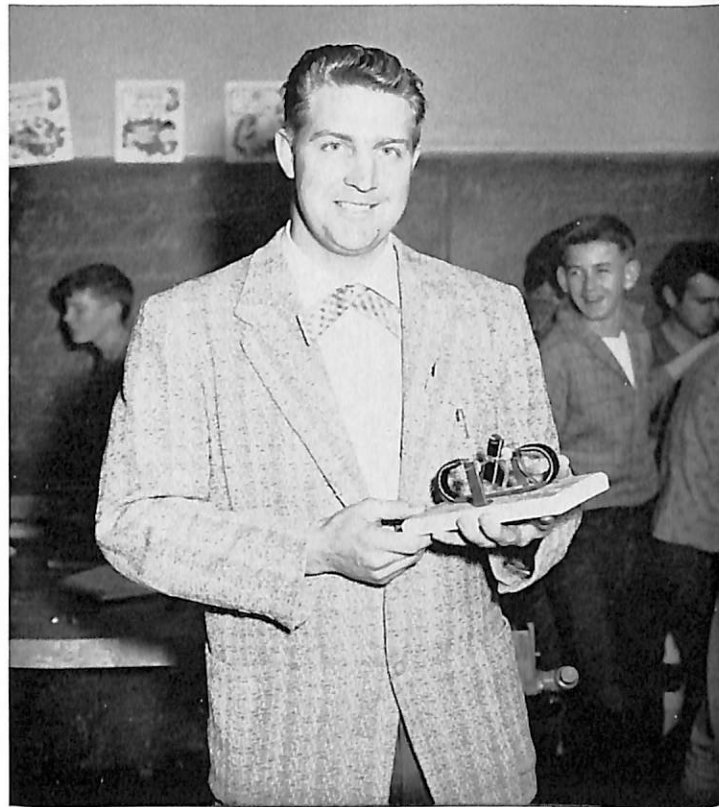

Cheerleader advisor, Elsie Gardner, has received many prizes for her cooking. She also likes music and sports. She teaches Shorthand I and Type I and II. She received her education at BYU.

Royal Jensen really gets the Freshmen off to a good start as their advisor. He obtained his degree from University of Wyoming, and teaches General Math, Algebra and Chemistry. Mr. Jensen is an avid sports fan having interest in all sports.

Carl Tilby, a newcomer to S.V.H.S., received his degree from USU. He teaches Arts and Crafts and Industrial Arts. His hobbies include hunting, fishing, and horsemanship.

Mr. Jenkins received his education in music at Rexburg, Idaho, Ricks. His hobbies are based around music and sports. He has one high school piano class but the rest of his time is devoted to teaching in the junior high.

Mrs. Meldrum, our junior English teacher, is interested in fishing, gardening, and poetry. She went to college at Westminster in Salt Lake and USU. She is a Freshman class advisor and through her willingness to help has got the freshmen off to a good start.

Lawrence Woodard, a newcomer to S.V.H.S., received his degree from B.Y.U. He teaches Speech and English II. Being a talented man, Mr. Woodard has many hobbies and interests, some of which are sports, reading, music and drama.

Mrs. Kathleen Burton, Home Economics teacher, received her Master's degree at the Utah State University. She enjoys reading very much.

Mr. Heiner spends most of his time teaching in junior high, but he also teaches two classes of high school Algebra. He enjoys most sports particularly hunting and fishing. He attended college at Brigham Young University.

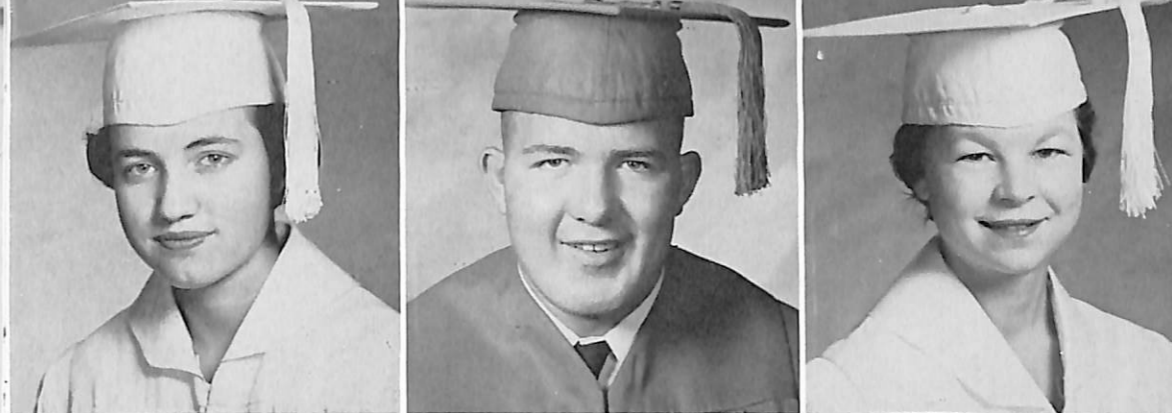

Mrs. Myrna Brown went to school at USU. She has many hobbies but chooses as her favorites sewing, sports and reading. She taught Speech and English II during the first semester, then was replaced by Mr. Woodard.

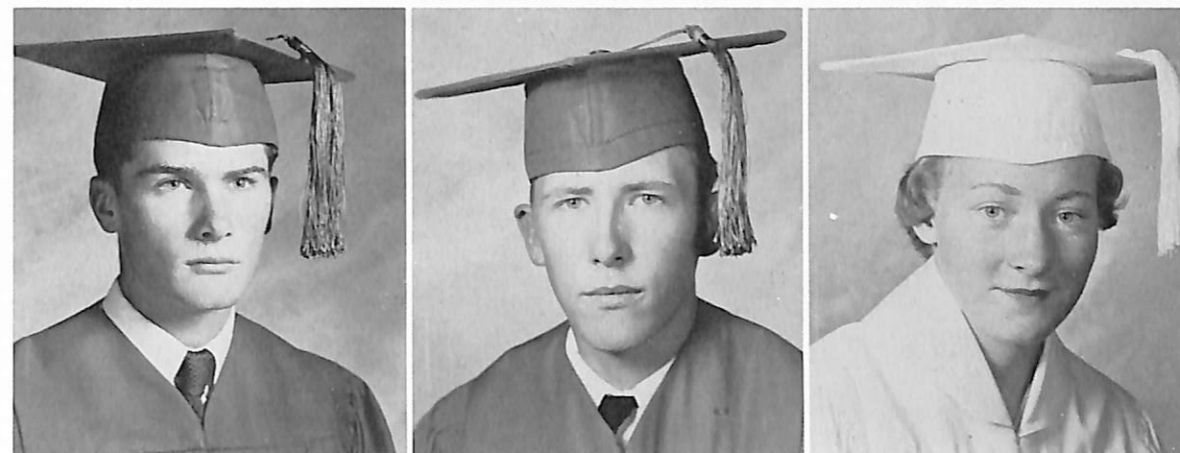

Seniors

Our officers, Duane Perry, President, Eugene Draney, Vice President, and Dixie Henderson, Secretary, have proven to be true leaders throughout our last year of high school. Miss Pace, Mr. Meeks, and Mr. Call, our class advisors, have added to our enjoyment.

Well, seniors, here we are! We've finally reached the climax of four wonderful years of studying and preparing for the day when we would become graduates of Star Valley High School. We used to walk down the halls wondering how a "little freshman" could ever become a "big senior." Now we know. The many parties and fun will always be remembered by our senior group.

Juniors

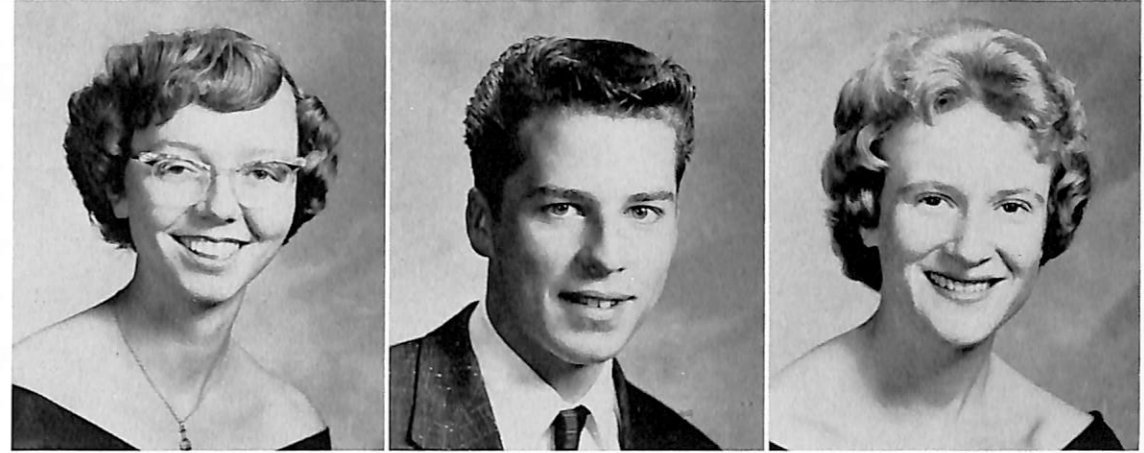

Our first year as upperclassmen will soon be behind us, and we are looking forward to our next and last year as seniors. As juniors, we have had a full schedule of fun, activities, and studies. Some of the highlights of our junior year were our assembly, which was given at Christmas time; we felt that it represented the spirit of Christmas well. Our biggest feature as juniors was our Junior Prom. We chose as our theme "Bali Hi." It was spent by all as a most enjoyable evening. We chose as class rings this year beautifully engraved rings with our school initials "SV" in the center.

As our junior officers this year we chose for President, Robert Robinson, for Vice President, Vern Child, and for Secretary, Marie Johnson.

Mrs. Titensor, Mr. Robertson and Mr. Wilkes served as our class advisors. We felt they did a fine job in making all our activities a success.

Sophomores

Here stands our sophomore class officers voted in by popular vote. Our President, Frank Fluckiger, our Vice President, Joel Neuschwander, and our Secretary, Lorna Vanoy, have worked diligently to help each student throughout the year. Our advisors, Mr. Brown, Mr. Lewis, and Mrs. Reeves, have worked hard to make this year a success.

Our sophomore class has really enjoyed this second year in high school. We received third place on our Homecoming float and enjoyed the Homecoming events very much. The Commencement dance that we sponsored was a huge success. The decorations of blue and white were beautifully arranged for the event. Our selling at ball games helped sponsor dances and make the year a success also.

Freshmen

As freshmen, our first and most important year has come to a close. Somewhat dazzled and bewildered, we were swept into a swirl of high school life. We will never forget our freshman float and the fun we had decorating for the first time. Although we had a rough time during initiation, we still had fun in our funny looking outfits we had to wear. Our assembly, we felt, was the greatest. Our theme was "Around the World in 40 Minutes." It portrayed characters from all around the world.

In the coming year as sophomores, we will have experienced many more things and our troubles will be fewer in finding our way around the Star Valley High School.

As freshman officers, Alan Liford served as President, Ed Kennington served as Vice President and Lyniece served as Secretary.

Mrs. Meldrum and Mr. Jensen served as class advisors. We feel they did a fine job in directing our activities.
