FRONT DOORS OF HIGH SCHOOL

As Star Valley High School students, we will look back in the coming years to the years of '61 and '62. Years full of fun, excitement, studies and extracurricular activities. We'll always remember the classes we looked forward to each day. The dates that made school dances so special. Christmas with its merry-go-round of activities. Cramming late into the night for exams. The spontaneous cheers as the Braves carried the state football trophy off the field. The spirit of loyalty that we felt as we watched the band and pep club. All these factors go to make an outstanding year.

Editor Clara Rainey Bus. Mgr. Maurine Schwab

Our Tribe

VAN HOKANSON has worked hard to make this year a success.

EVAN OLSON has helped lead our school in a year full of fun and activities.

LEONE CALL with her winning personality has helped lead the school in an outstanding year.

Student Council “Governing Body”

This group of leaders have led our high school in one of the most successful years. As the governing body, we represent the various departments in our school. Many activities are sponsored by the Student Council which include Homecoming activities, matinee dances and shows. At Christmas time

the Council trims a tree to give more Christmas spirit. Leadership, friendliness, cooperation, compromise and hard work are the qualities we find in each Student Council member. We have had a most successful year, thanks to every member of the Student Council.

MR. STOCKS has done an outstanding job in advising the Student Council this year.

TOP ROW: Editor of Yearbook, Clara Rainey; Head Cheerleader, Darlene McGavin; Senior Cheerleader, Patty Child; Musical Rep., Loy Call; Editor of Newspaper, Diane Mallory; Student Body President, Van Hokanson; Sophomore President, Kirk Call.
BOTTOM ROW: Junior President, Jed Robinson; Student Body Vice President, Evan Olson; Advisor, Mr. Stocks; Athletics Rep., Ronald Haderlie; Senior President, Errol Bagley.

Honor Students of Star Valley High School '61-'62

We all like to see our pictures in the yearbook because this usually indicates activity or singles us out for recognition. The ultimate in recognition is to have your picture on this particular two page spread. This is reserved for the top four scholars and the two Citizenship award winners.

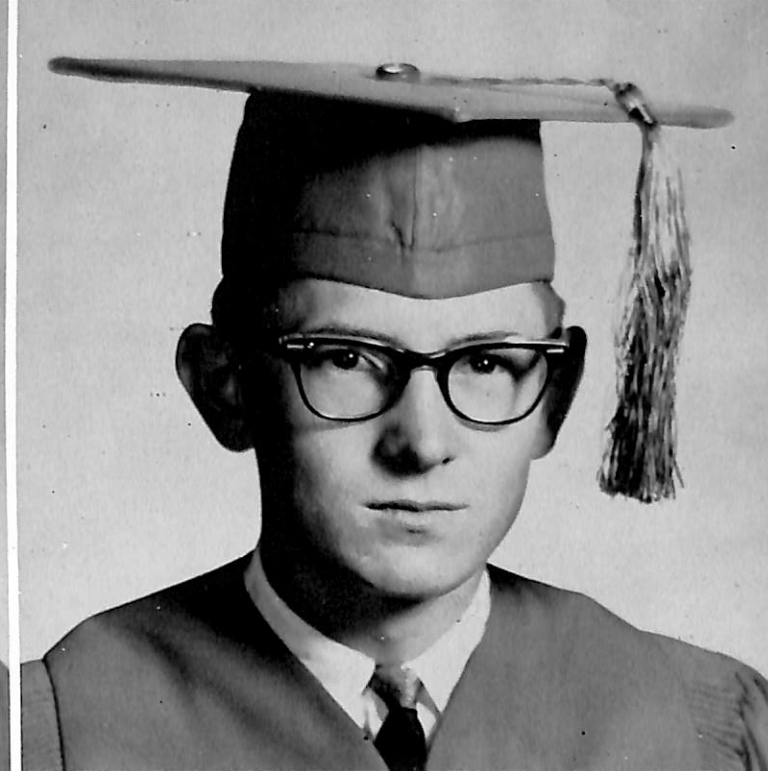

The Citizenship award is given to the senior boy and girl who have best served the school and their fellow students. The selection is made as objectively as possible using a set system where points are awarded on the basic activities, (athletics, music, drama, forensics, etc.), leadership (student offices held) scholarship and character.

The Honor Scholars are the four students who have maintained the highest grade average for their first three and one-half years.

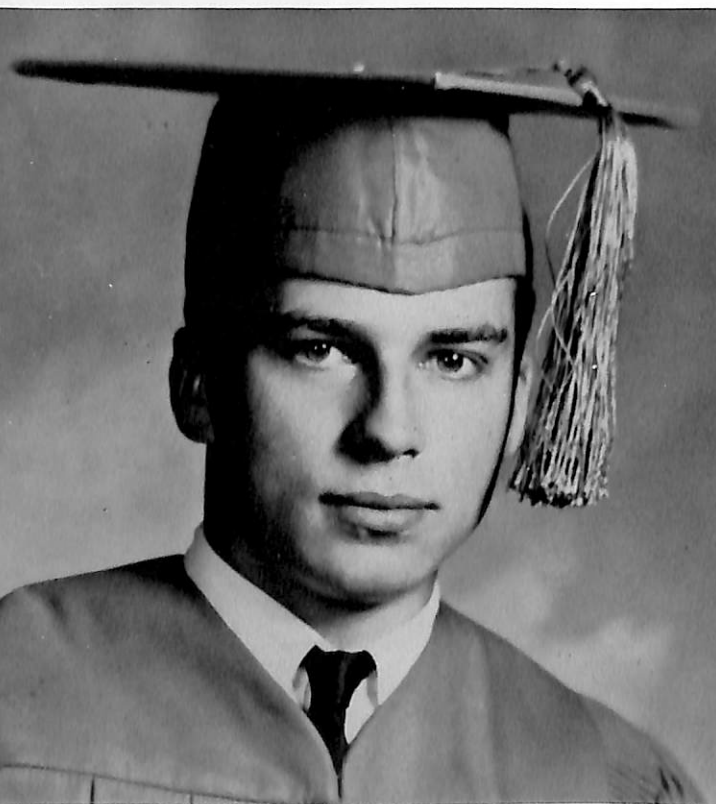

I'm sure the entire student body and faculty join us in congratulating these six outstanding seniors.

Although Dwight Barras has lived in Star Valley only a year, he has maintained a straight "A" average throughout his four high school years. As valedictorian, we congratulate him for his efforts and efficiency.

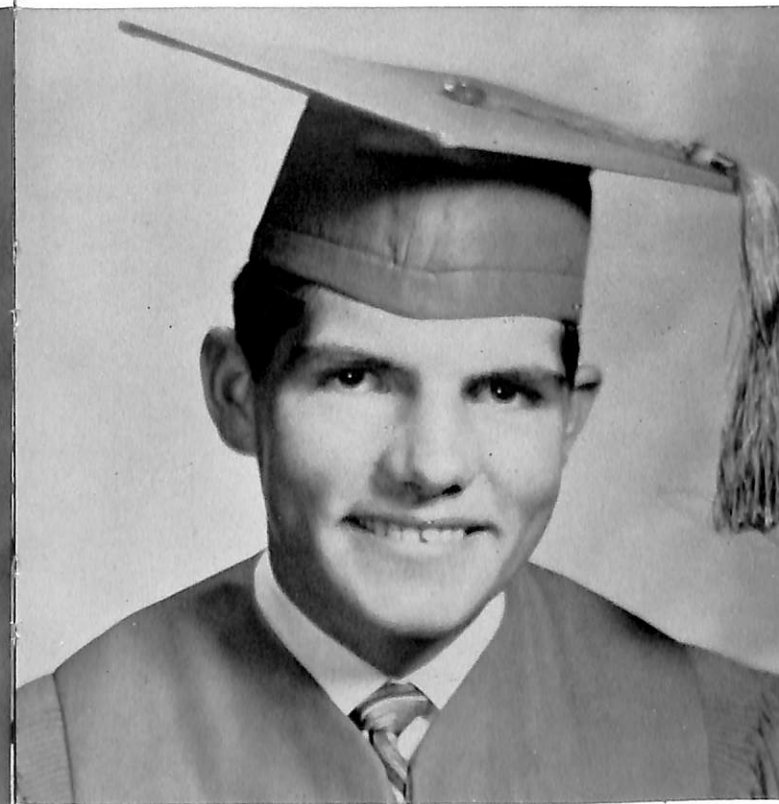

LaMar Walker is among the top seniors. Throughout his four years he has maintained an average to obtain a scholarship. He has also participated in drama, debate, and vice presidency of the senior class.

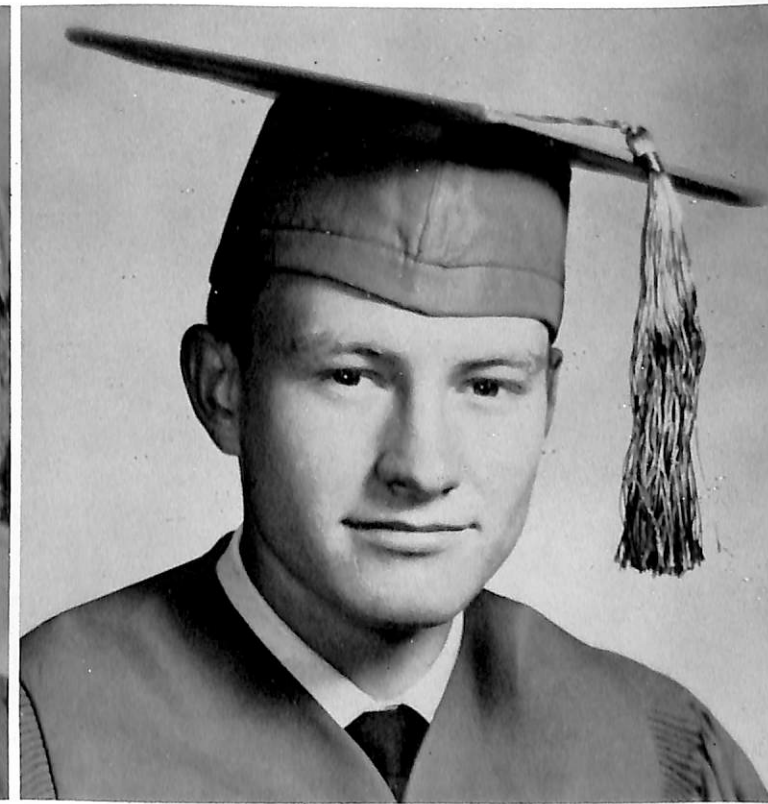

Errol Bagley was chosen to receive the citizenship award for the boy of 1961-62. Participation in various fields helped him to gain this honor. Football and basketball***, Seminary Council***, Opera participation***, Junior band leader***, Yearbook King***, Honor Society***, Citizenship***.

Patty Child was chosen for citizenship from the 1961-62 senior class. Participation in many activities helped her earn this honor. Assemblies***, Operas***, Girl Stater***, Drama and Speech***, Student Council***, Honor Society***.

Through persistence and hard work, Dennis Harrison was able to maintain an average high enough to keep in the "tops" of each of his classes. By keeping this high average, he was honored with a scholarship his senior year.

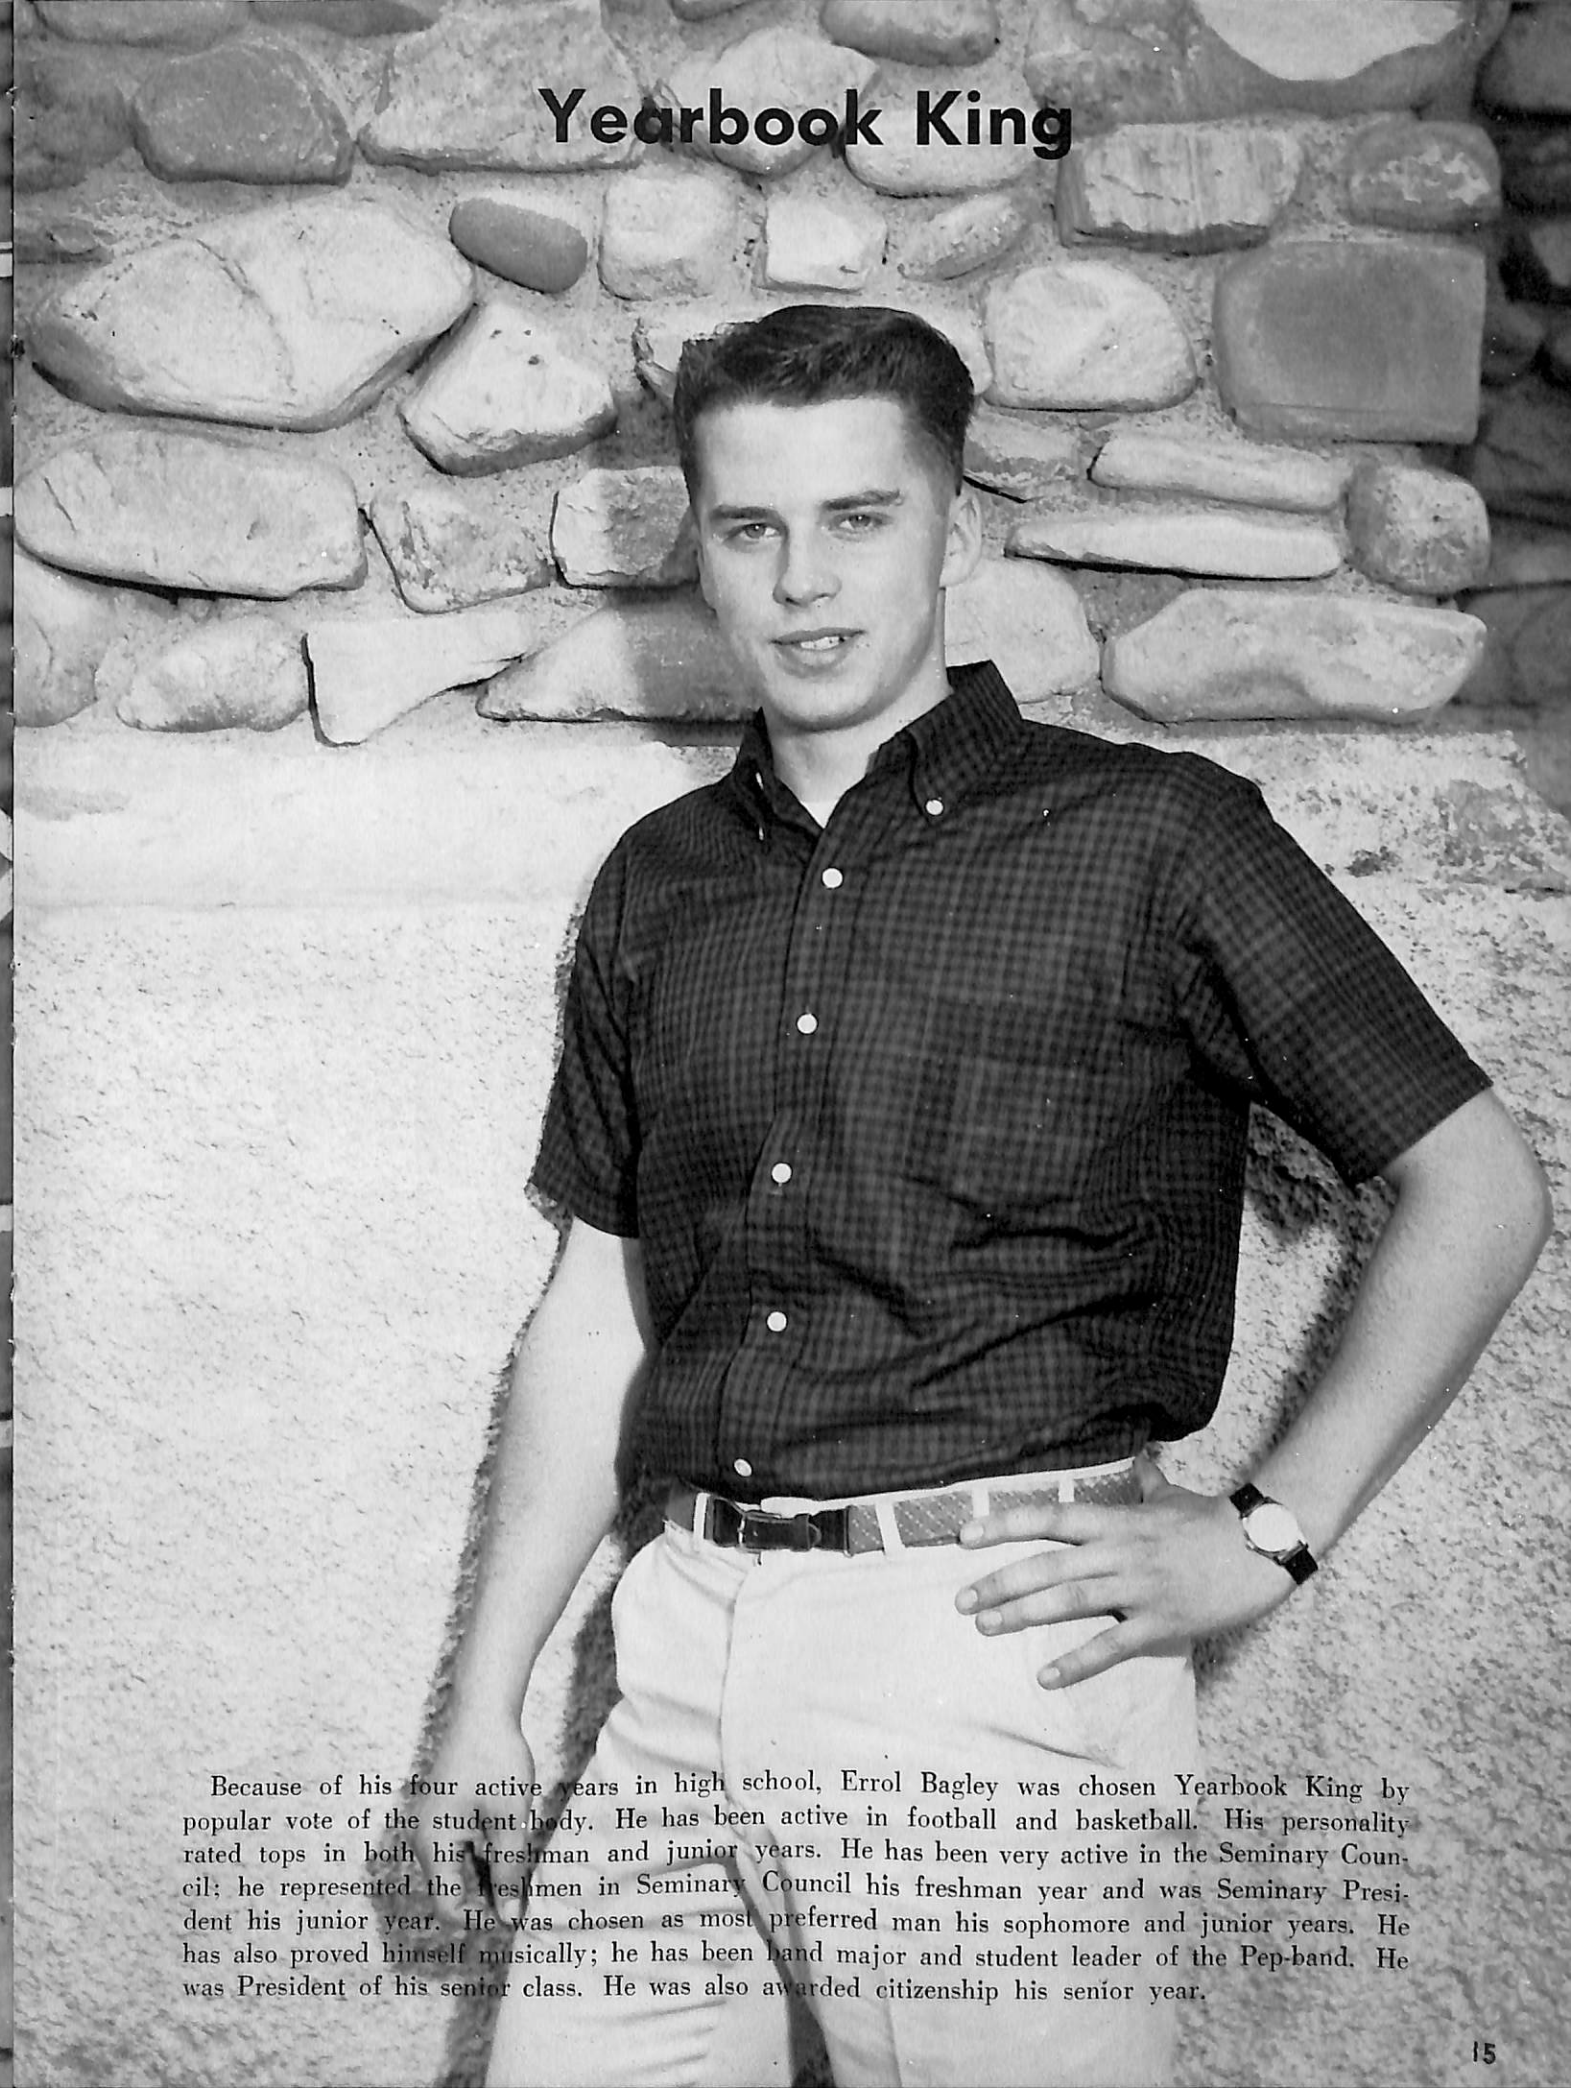

Roger Newswander has been noted throughout his four years for his mental and scholastic abilities. His senior year he was voted most studious by his classmates for a senior superlative. We congratulate him for receiving this honor.

Yearbook Queen

Vivacious Clara Rainey was chosen by the student body as Yearbook Queen. Her many activities and enthusiasm for the school won her this honor. She has been active with the Pep-Star Club since her sophomore year. She served on the Seminary Council her sophomore year, and was chosen Harvest Ball attendant her sophomore year. Her sparkling personality won her the honor of junior personality. She was the Senior superlative having the prettiest eyes. She is Yearbook Editor this year.

Yearbook King

Because of his four active years in high school, Errol Bagley was chosen Yearbook King by popular vote of the student body. He has been active in football and basketball. His personality rated tops in both his freshman and junior years. He has been very active in the Seminary Council; he represented the freshmen in Seminary Council his freshman year and was Seminary President his junior year. He was chosen as most preferred man his sophomore and junior years. He has also proved himself musically; he has been band major and student leader of the Pep-band. He was President of his senior class. He was also awarded citizenship his senior year.

Homecoming for '61-'62

FLORENCE HUMPHREY was chosen by the student body to be Homecoming Queen for 1961. This vivacious girl has been very active and popular throughout her four years of high school. For the last three years she has been in the pep-club and she became an honorary pep-star her senior year. During her senior year she served as president of the Cadence Corps. This last year she was chosen Most Popular from her senior class. In her sophomore year she served as class secretary.

Royalty

CAROLYN TAYLOR'S winning smile helped her to win the honor of being Senior Homecoming Attendant.

LUELLA SLATER is well liked by all and has been honored by being chosen Junior Attendant. She is wonderful company for all people with whom she has made acquaintance.

DARLA LAKER, the beautiful sophomore attendant, is very popular among her high school acquaintances. Future years hold new honors for her.

JOYCE STOCK, the new Freshman Attendant, still has three winning years in head of her. Her wonderful personality makes her a friend to everyone.

Royalty Crowned at S. V. H. S.

Sweetheart Royalty

Crowned as Sweetheart Royalty this year were four familiar faces that students often see together. Loyd Laker was chosen King and Pamela Wray was chosen Queen. Attending them were Darrel Haderlie and Marsha Roberts.

The Sweetheart Dance is sponsored by the Pep-Star Club and an election is taken a week before the dance followed by a primary election of about four couples. The vote is kept secret until the night of the Sweetheart Dance.

F.F.A. Queens

This year's Snowball dance was held just before Christmas. Every year the F.F.A. Club chooses three girls to sponsor F.F.A. Royalty, which consists of a queen and two attendants. They are chosen from the four high school classes. This year Gayle Dana was chosen as F.F.A. Queen and received the white chapter jacket. She has won many honors throughout her two years and will probably win more with her winning personality. Trudy Hemmert and Katherine Allred were chosen as attendants.

Inkslingers' Royalty

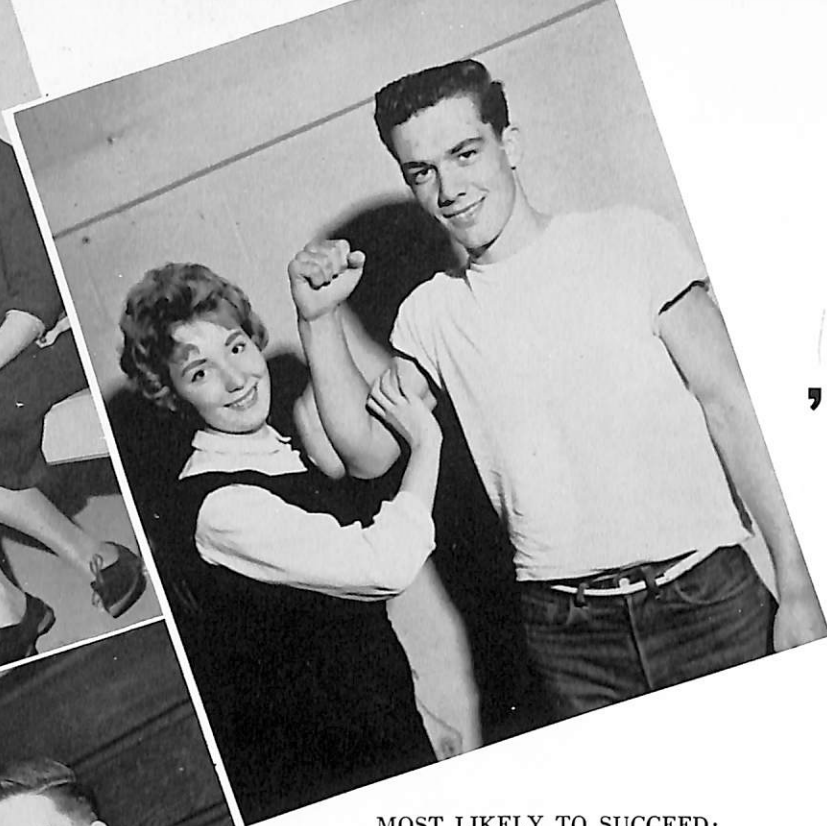

The Inkslingers Royalty is chosen from the yearbook staff and the newspaper staff by popular vote of the student body. A queen and two attendants are chosen. The Inkslinger's queen for this year was Darlene McGavin. She has been active throughout her last three years of high school as a cheerleader and has won many friends with her winning smile. The two attendants were Anita Henderson and JoAnn Hurd. Both girls are from the newspaper staff and have done much to improve the Mountain Star.

Kings of Girls' Day

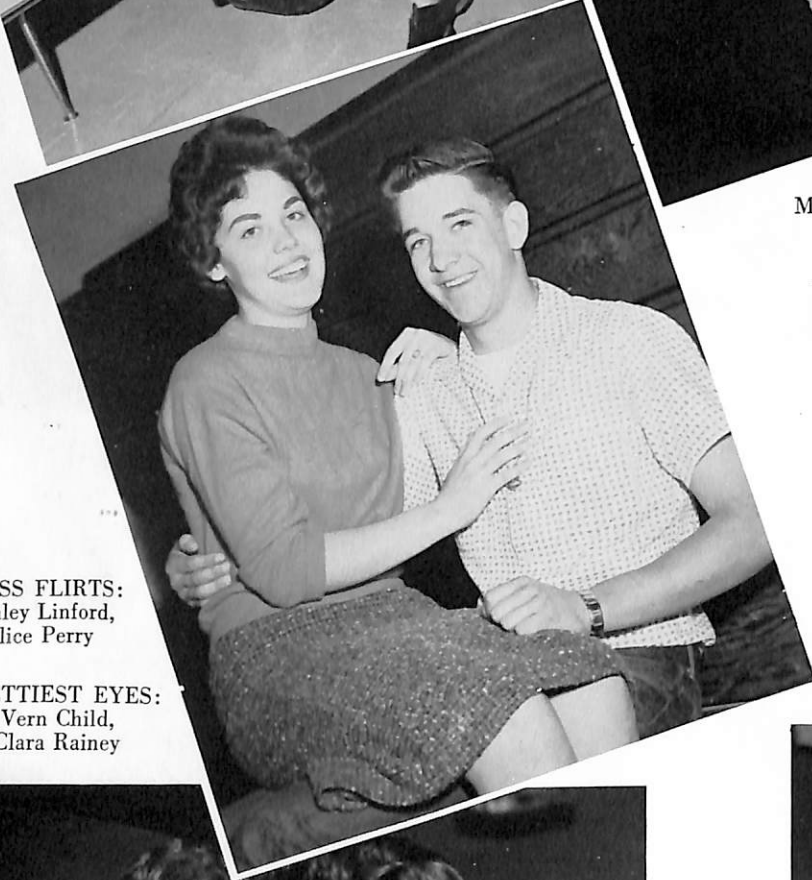

The Girls' Day King and attendants were chosen by a popular vote of the girls in the high school. Rendle Chadwick was chosen as king by a popular vote of all the girls in the student body. Chosen as attendants from the four classes were: senior, Harold Merritt; junior, Ronald Haderlie; sophomore, Brent Wadsworth; freshman, Alan Sessions. These four were chosen by popular vote of each of their classes. Each of these boys have been very active in various activities and are noted throughout the high school for their splendid personalities.

Activities

Sweeping to first place with a beautiful white float were the all mighty seniors. Displaying the theme, "Challenge to Victory," with a striking blue star and a golden football rotating on top. Taking second place were the hard working juniors. Their float held a mean looking Devil being challenged by the intrepid Braves mounted on an undaunted horse. Around and around went the third place float entered by the Seminary.

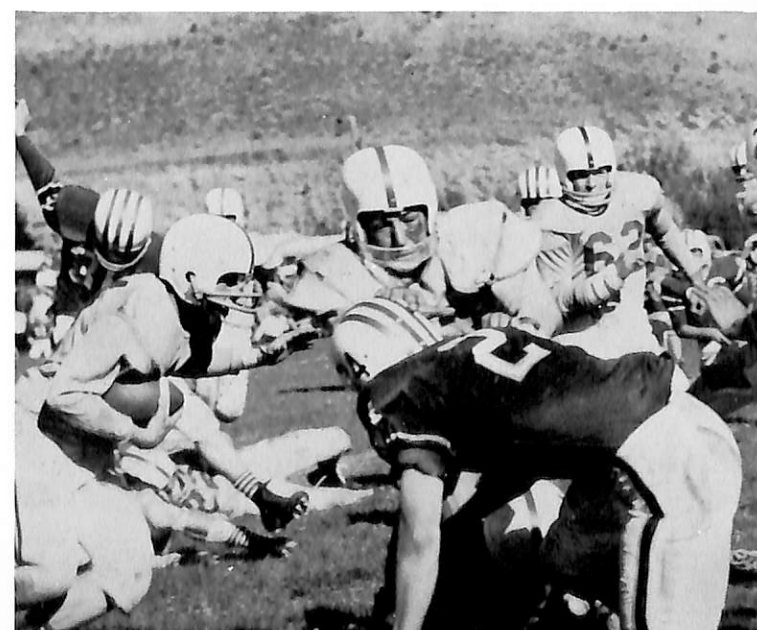

Burning of the Red Devil dummy set off the spark of excitement of the Pep Rally. Cheers were led by the cheerleaders and everyone was on edge for the next day. The snake line was led around the cars and through main street. The spirit of the Pep Rally came out again in the lively homecoming game with the Evanston Red Devils.

From the brightly lighted star to the dimly lighted gym, Homecoming of '61 was a tremendous success. Reigning over the activities were our lovely queen Florence Humpherys and her attendants. The assembly given in honor of the alumni was well attended. The beautiful parade which was a real credit to the school was followed by a fiery game.

Homecoming '61

A snappy assembly given by the student council started off the day's activities. First on the program was the crowning of the homecoming royalty. Florence Humpherys queen, Carolyn Taylor senior attendant, Luella Slater junior, Dorla Laker sophomore, and Joyce Stock freshman attendant. Corsages of red and white carnations were presented to them.

NIGHT OF JANUARY 16th

This most eccentric, most talked about play was presented for the High School and public on November 1 and 2.

The jury was chosen from the audience. No one knew which way the verdict would go, not even the cast. Most of the cast members take speech under Mr. Canning.

Many congratulations go to these students that made it a success.

S.V.H.S. Dances

Alice and John are dancing the latest craze that just hit Star Valley called "The Twist."

All the dogpatchers of Star Valley turned out to join the war for a man at the annual Sadie Hawkins Dance. The marriage booth was a major attraction, and Marryin' Sam was a busy man. Best man Chaser, an expert at the job, was Vicky Louise Wood, with Rauna Lynn Allred as her attendant. Jerry Lynn Nelson was named Gal Hater with Jimmy Wheeler as the attendant. It was a very successful record hop.

Dean and Patty are just two of the many dogpatcher friends that showed up for the Sadie Hawkins Dance.

Putting on their last class assembly were the talented seniors. Singing "Michael" are: Darlene McGavin, Cow Rainey, Marsha Roberts, Alice Perry and Florence Humphreys. (on the right)

The picture below, of a very fine assembly was presented to Star Valley High by Mr. Roberts. The chimpanzee, Candy, and her dog friends were a delight to the entire student body.

"Wyoming Days of '62," presented by the students of the University of Wyoming. Various musical numbers were presented by a band, a ballad songstress, modern dance team, calypso singer, Sigma Nu quartet, also a dramatist acquainted us with their university. Pictured are the Tri-Delt trio who sang several numbers throughout the program.

A very fine assembly was presented to the S.V.H.S. student body by the Logan High School Band. Various numbers were played from classical to jazz, entertaining everyone. There was also a reading done by one of the band members and a brother and sister duet from Logan.

The junior assembly, "I've Got a Secret," starring Mary Goore (Susan Fulmer) was honored with the appearance of Dr. Crashcup and his faithful assistant, Leonarda, from the Alvin Show. Portrayed by Carolyn and Lorna.

The Pep Stars brought the spirit of Christmas into the high school this year with a well done assembly. Scenes from a toy shop and a hillbilly Christmas were presented. The closing scene carried the spiritual side of Christmas.

S. V. H. S. Assemblies

Our student body was greatly honored by having Rick's College a cappella choir perform for us. Several solos were presented by different members of the choir making it a very enjoyable program.

Many new talents were revealed in the freshman assembly. Here, Betty Chadwick is singing a song with her four lovely attendants. There seems to be much encouragement from this new class for years to come.

Even though the seniors have hated the hard work and had disagreements with the teachers, there are still tears shed when they think of the good times they are leaving behind.

"Commence ment"

"From These Roots" was the theme of this year's senior graduation. All the events of the evening were centered around this theme. The commencement exercises of 1962 were very outstanding. Talks were given by Errol Bagley, Ida Beth Aullman, Beth Merritt and Lamar Walker. The Double Mixed Quartette, RaDawn Burton, Marilyn Hepworth, Luella Child, Mary Lou Hoopes, Lanny Swenson, Von Nield, George Titensor, Rendle Chadwick, accompanied by Patty Child, sang "Moments to Remember," Patty Child gave a piano solo, Cara Call played a violin solo, and the senior class sang "You'll Never Walk Alone."

Dwight Barres was named Valedictorian. Then came the big moment of receiving diplomas. Robert W. Hastings, President of the School Board, presented them, and Prin. B. Delos Gardner gave the Recommendation of Class for Graduation.

After the Commencement exercises, a dance was sponsored by the sophomores as a tribute to the graduating class.

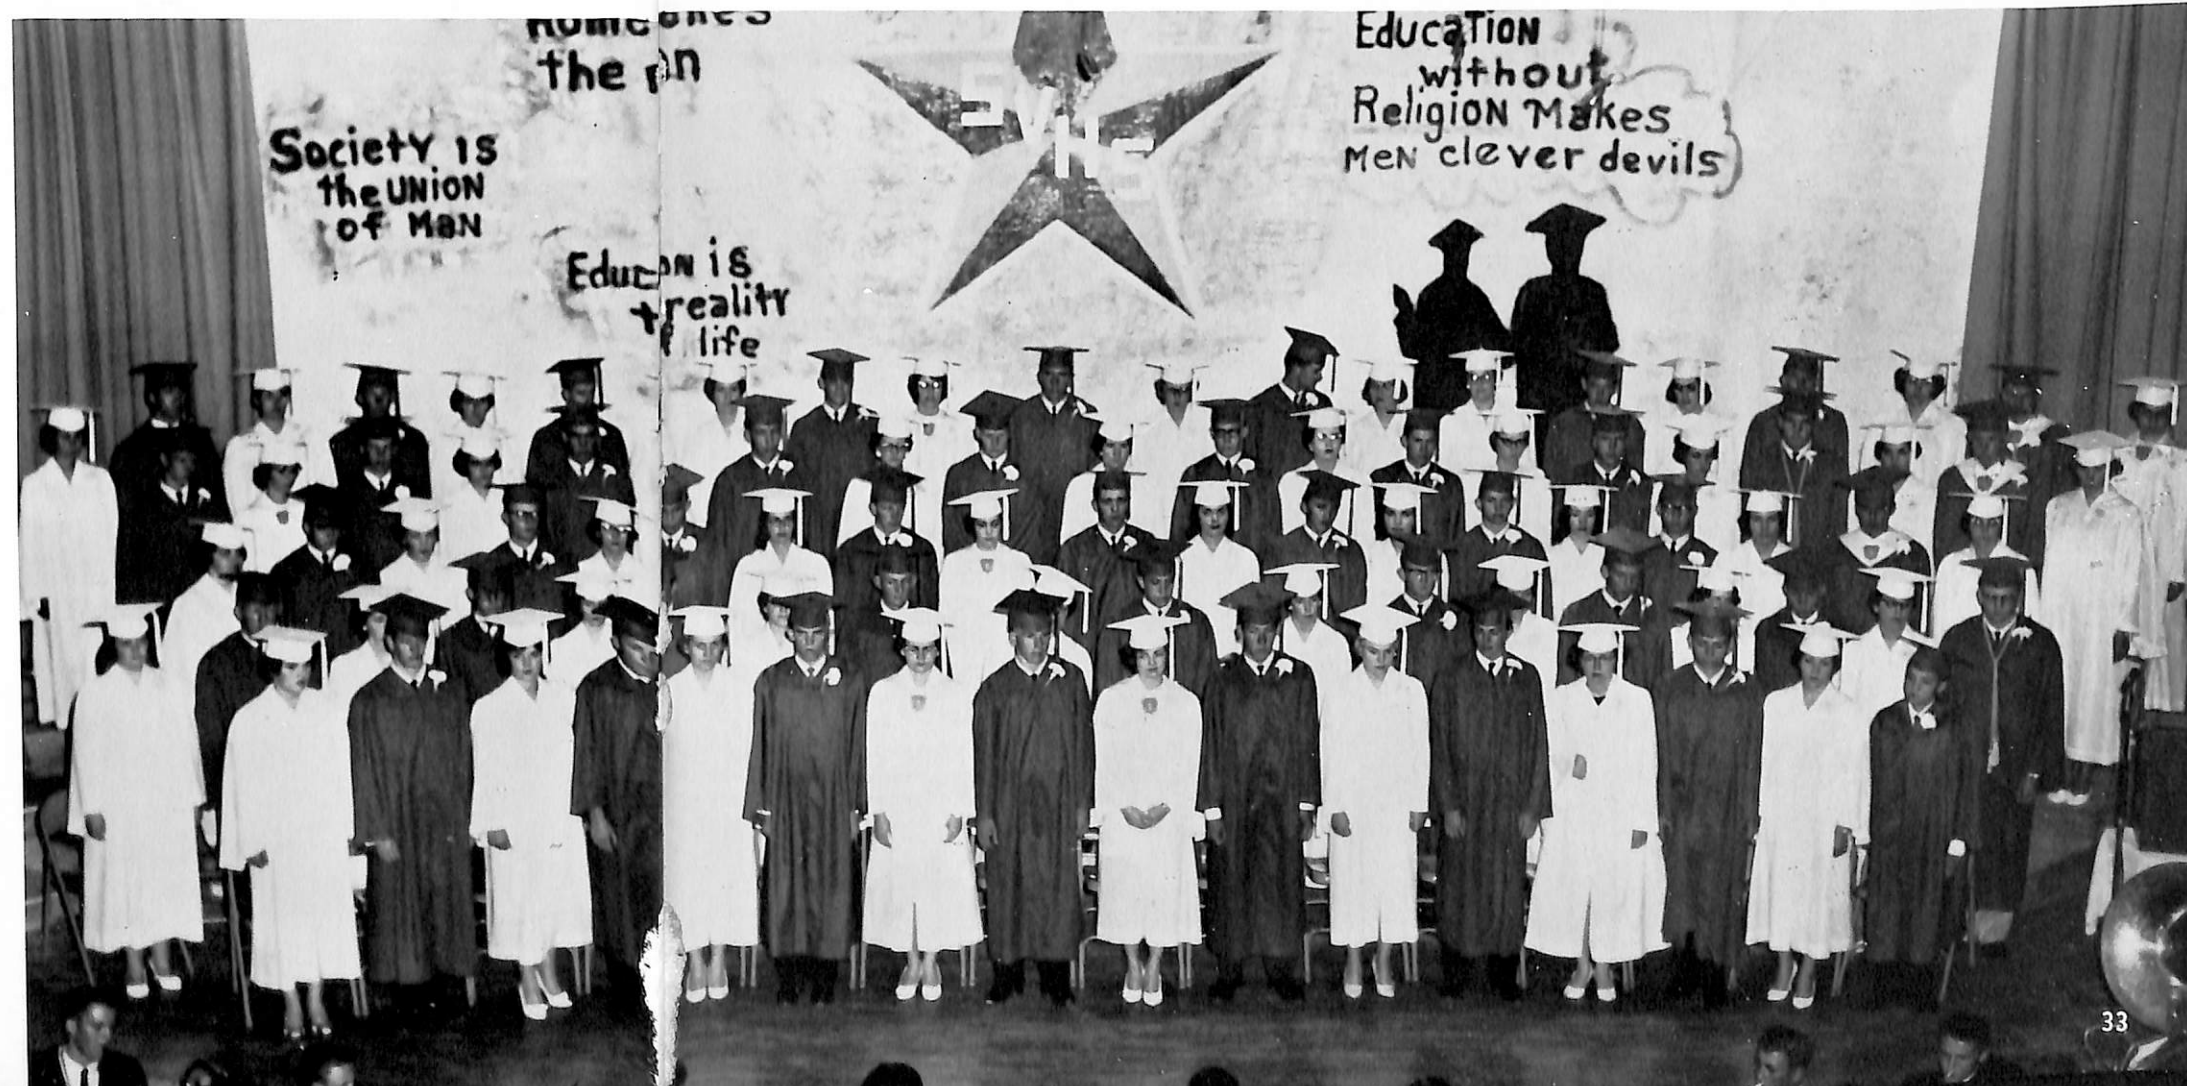

This commencement will always be cherished by the seniors in the years to come.

Before their paths take them in different directions, the seniors celebrate at their commencement dance.

An outstanding year was experienced in the athletic division this year. Along with sportsmanship recognition our teams were usually victorious.

In football the Braves received honors never received before in Star Valley history. They went through the season undefeated and on to the state championship crown. The Braves won over Torrington 28-0 for regional championship and over Buffalo 49-0 for state championship.

In basketball the Braves received many high honors also. They entered the Green River tournament rated as third and came out with the third place trophy. They then went to State where they were defeated in their first round of play. Winning their next three games they came home with the consolation championship.

The wrestling team went further this year than ever before. They won half of their matches and sent Bruce Johnson and Merrill Robinson to the state meet. They scored 17 points at the regional meet which was a great improvement over last year.

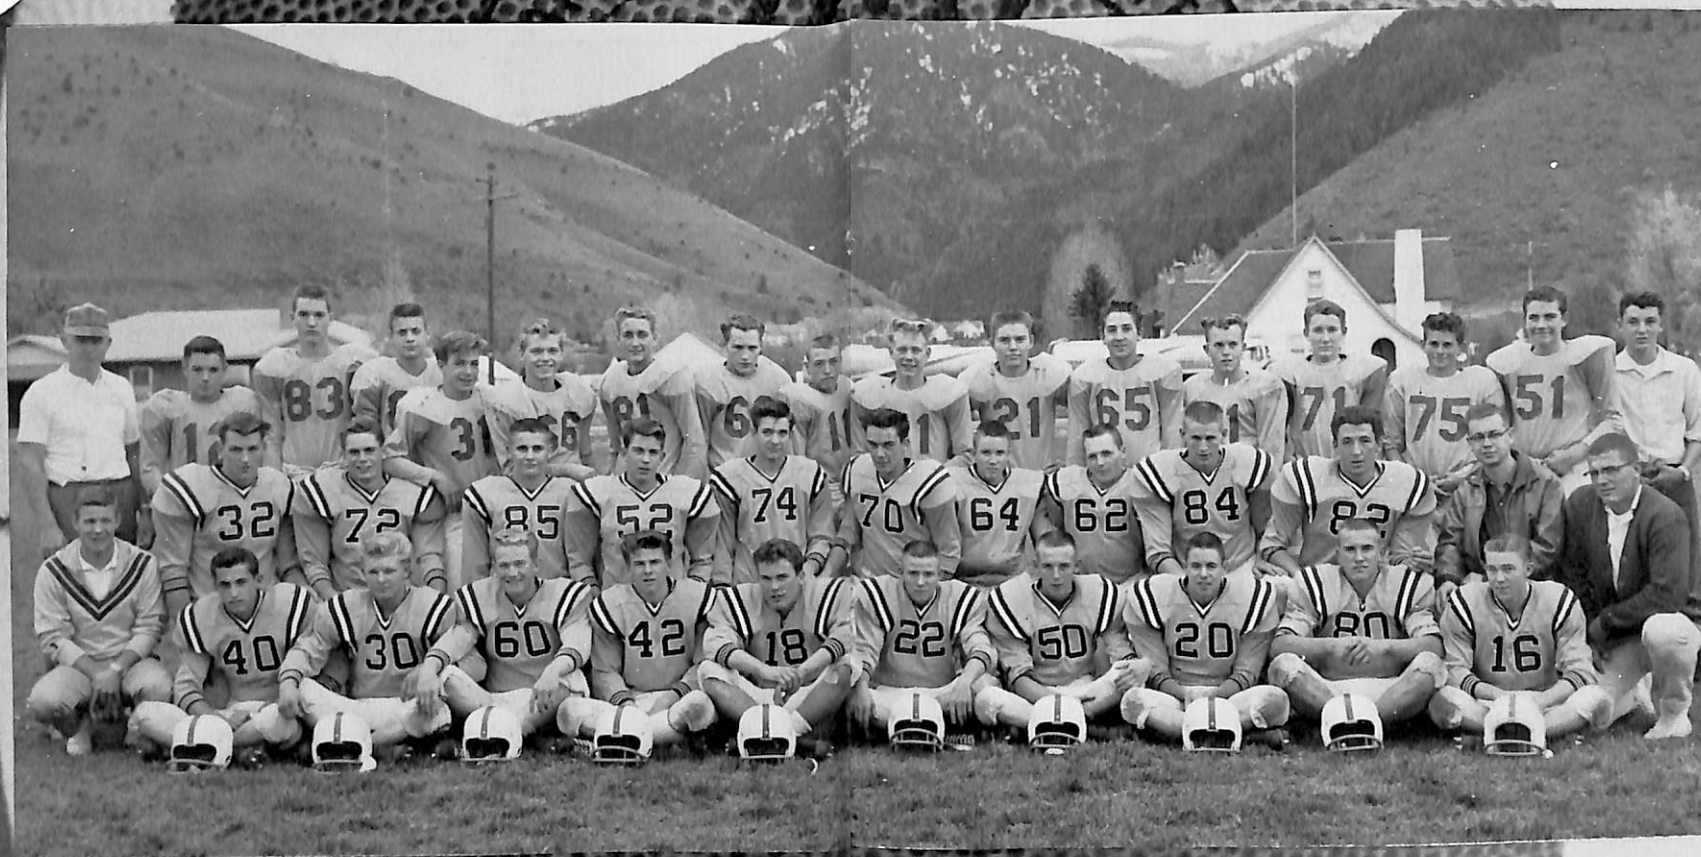

Class A State Champions

Wow! Look at the smiles. Grinning from ear to ear are the undefeated, class "A" Champions of 1961.

Star Valley High has always produced strong basketball teams, but our football teams are not traditionally so highly regarded. However, this year we fielded a team that many experts rate as one of the best high school teams they had ever seen in action. Our obviously well coached squad boasted a fast, strong line with both power and speed in the backfield. We're all intensely proud of the coach and players who brought us our first state football championship. Although we are losing some very valuable players through graduation our squad is still an extremely strong one. It looks like we may continue to go places next year.

It is difficult to single out individuals for special mention from our state championship football team. Our team was well balanced both on offense and defense. Our line was good and the backfield had both power and speed.

Fullback Mel Olson, a junior, was the only Star Valley player named on the all state first team. We did, however, place the following on the all state second team: ends, Larry Jenkins and Lael Eddins; halfback, Eddie Hunsaker; guard, Gary Borg; center, Roger Hillyard; tackle, Vern Osmond.

Martin gets good position for rebound against Rock Springs.

Olson gets a jump ball as he ties up a Montpelier player.

Basketball Action

Good position pays off as three S.V. players are in for the rebound.

S.V.'s flashy guard, Van Hokanson, after stealing the ball, tries to keep it from his opponents.

JUNIOR VARSITY: (L. to R.) ROW ONE: G. Dana, R. Hunsaker, J. Kennington, D. Erickson, E. Flygare, T. Titensor. ROW TWO: V. Cleverly (manager), A. Lindford, F. Campbell, B. Wadsworth, E. Kennington, B. Fullmer, Coach Val Call.

As the scores indicate, our J.V. and Freshman teams put on a good showing. We feel that these teams have produced some strong players who will help the varsity team next year. The freshmen took second place at Evanston tournament and placed Berry Fullmer and Doran Erickson on the All-Tourney team.

FRESHMEN: (L. to R.) ROW ONE: G. Jenkins, T. Leavitt, L. Heap, S. Roberts, J. Harrison, M. Nield. ROW TWO: Coach Dee Hokanson, M. Allred, M. Taggart, D. Olson, D. Harmon, L. Putnam.

Sports Enjoyed by the Girls of the School

Throughout the school, girls have enjoyed sports—this year even more than usual. Many participated in intramurals at noon in basketball and volleyball, and a tournament was played off in both of them.

Girl's winning team of the tournament played in the school.
BACK ROW: Patty Perry, Lynette Nield, Darla Laker, Nancy Wolfley. BOTTOM ROW: Bonnie Nield, Lyn Croft.

Faculty and Administration

The faculty and administration of S.V.H.S. are one of our best assets. The entire staff works very hard to keep the minds of the students bright and alert. Much time is spent in preparing lessons and in helping the schedule run smoothly. They are constantly seeking ways to improve our school. We know that our advancement and success depends on the leadership that they give to us. We recognize their fine efforts and express our appreciation to them.

PRINCIPAL B. DELOS GARDNER has played a major role in making S.V.H.S. the fine school that it is. His wise counsel and sound judgment have placed him high on the list of our leaders. His keen interest in sports has set a shining example for both students and faculty. Through Mr. Gardner's tireless efforts, we as students have been made aware of the importance of a good education. His warm attitude and friendly greeting have made the usual school routine seem a little more pleasant. The efficient way in which his office is operated has influenced the entire school program. His busy schedule never prevents him from listening to a problem. We can be sure that both students and faculty will long remember this man as a friend and companion.

HAROLD R. PAPWORTH, our Business Manager, is shown here with his efficient secretary, Mrs. Shirley Haderlie. These two work long and hard keeping the district on a firm financial basis. Through their efforts, we can rest assured that our money is handled well.

SUPERINTENDENT CARWIN LINFORD is our popular and very competent leader who can be given the credit for handling all problems that arise in our school district. His many years of teaching and school administration experience qualify him for this job. He has more than proved his ability.

Leaders of

Our School

MRS. WANDA CALL can be sincerely complimented on her efficient manner and brilliant ability. Without her, our central office would not run nearly so smoothly.

ASSISTANT PRINCIPAL CAMPBELL's energetic personality and brisk manner have made him many friends. As students we come to his office to get admits and tardy slips. His understanding and friendly attitude have won for him the admiration of the entire student body.

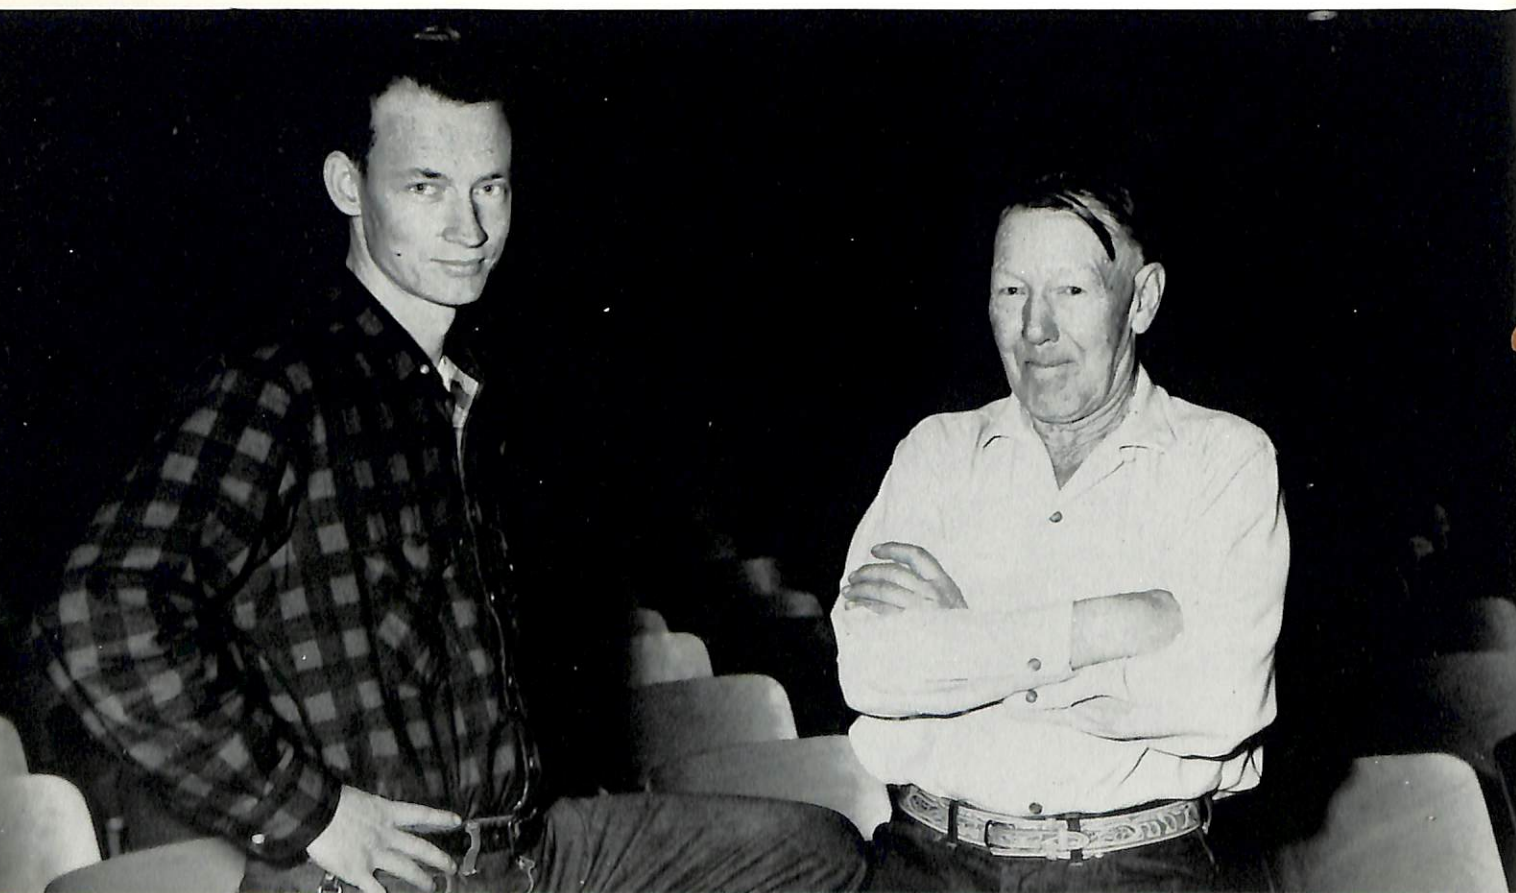

These school board members serve well at a job which demands much time, effort and ability. SEATED, Left to Right are: Morell Allred, Willis Sanderson, Royal Preston, Carwin Lindford, and Harold Papworth. STANDING are: Robert Hastings and Allen Hepworth.

Counselors

We sincerely appreciate the work of our Guidance Counselor, Mrs. Dortha Titensor. She is always available to help any student with problems large and small. We seniors are especially grateful for the help she gives us in the form of advice for the future and in helping us to arrange for higher education.

Custodians

Our school is kept clean and shiny by Mr. Lyle Mills and Mr. Cloyd Anglesey, our school custodians. They work hard and long in keeping our school the neatest in the state. We are proud of them and wish to express our appreciation for their fine work.

Lunchroom

There are many tempting odors that come from our school cafeteria. The cooks prepare high quality foods that are served daily to the students. The cooks that are responsible for such delicious meals are: Connie England, Mary Harrison, and Virginia Kennington, as the head cook.

Buses

This picture shows the many buses and the drivers that are required to bring the students to and from school each day. Each driver has a different route in gathering the students. Here they are seen at an inspection of all the buses, which shows the fine condition our buses are kept in.

Finer Arts Department

The Finer Arts department consists of Carl Tilby, teaching shop; Gayle Haderlie, teaching vo-ag and advisor of the F.F.A.; and Kathleen Burton, teaching home economics and advisor of the F.H.A. Mrs. Burton is showing these two men how much more important and more useful homemaking is than shop or vo-ag.

Music Department

Star Valley High School is very proud of our music teachers, Mr. Richard Anderson and Mr. Eldon Jenkins. Even though practice hours are hard and long a lot of students chose this as their trade. Mr. Anderson teaches band and chorus, and Mr. Jenkins teaches chorus and piano.

History Department

The knowledge of our country and other countries are taught by Philip Robertson, Bill Bailey, Easter Crook, and Sherald Lewis. Philip Robertson teaches Problems of Democracy and World History; Bill Bailey teaches American History; Easter Crook teaches World History; Sherald Lewis teaches Social Studies I and French. These teachers are well qualified in their subjects and teach with sincerity.

Philip Robertson graduated from the University of Wyoming with a B.A. degree. His major is Social Studies and his minor is Elementary Education.

Bill Bailey graduated from Wisconsin State College with a B.S. degree. His major is History and his minor is Geography.

Easter Crook graduated from Utah State with a B.S. degree. Her major is Social Science and her minor is English.

Sherald Lewis graduated from the Brigham Young University with a B.S. degree. His major is Secondary Education and his minor is Geography.

The English Department

is dedicated to the endless task of getting correct sentence structure, word usage, punctuation, vocabulary, and spelling into the minds of the students. Our English teachers have let no talent go to waste. Short stories, poems, essays, and special themes are required on various subjects to teach each pupil correct English usage. As a reward, many of our compositions have received prizes and honors, much to the delight of all concerned. Christmas is the time when many assignments are made for a Holiday Story. Prizes are given to the people with the most original and best-written stories.

Teachers in this department are (SITTING, Left to Right) Miss Janis Reeves, Mrs. La Mar Meldrum, Mrs. Allie Hyde. (STANDING) Mr. Ben Canning, Miss Diane Pace and Mrs. Ethyl Miller.

It is through these teachers' efforts that we have achieved the excellent department that we have. Throughout our lives we will look back on our days in high school and thank these teachers for their help and guidance in the many phases of our language. We sincerely appreciate their efforts.

Commercial Department

Timed writings, jammed keys, and worn-out erasers pave the way to the fabulous world of business. We try to keep those book-keeping errors down but somehow they are always popping up. We still can't figure out why we have so many errors on our timed writings. Bookkeepers say they would be more agreeable if the debits balanced the credits just once a year. The instructors of the COMMERCIAL DEPARTMENT are Mr. Reed Brown (Type I and Bookkeeping) and Joyce Anderson (Type II and Shorthand). They are on the alert to help us and to keep our work accurate.

Physical Education Department

"Physical Fitness is our Aim; aching muscles is our game." This seems to be the slogan of the PHYSICAL EDUCATION DEPARTMENT. This department is given the credit for the fabulous sports program that we had this year. They are also responsible for the various classes of P.E. and health in S.V.H.S. Our instructors are Mr. Lewis Monsen, Mrs. Sharon Lake, and Mr. John Robinson.

Science and Mathematics Department

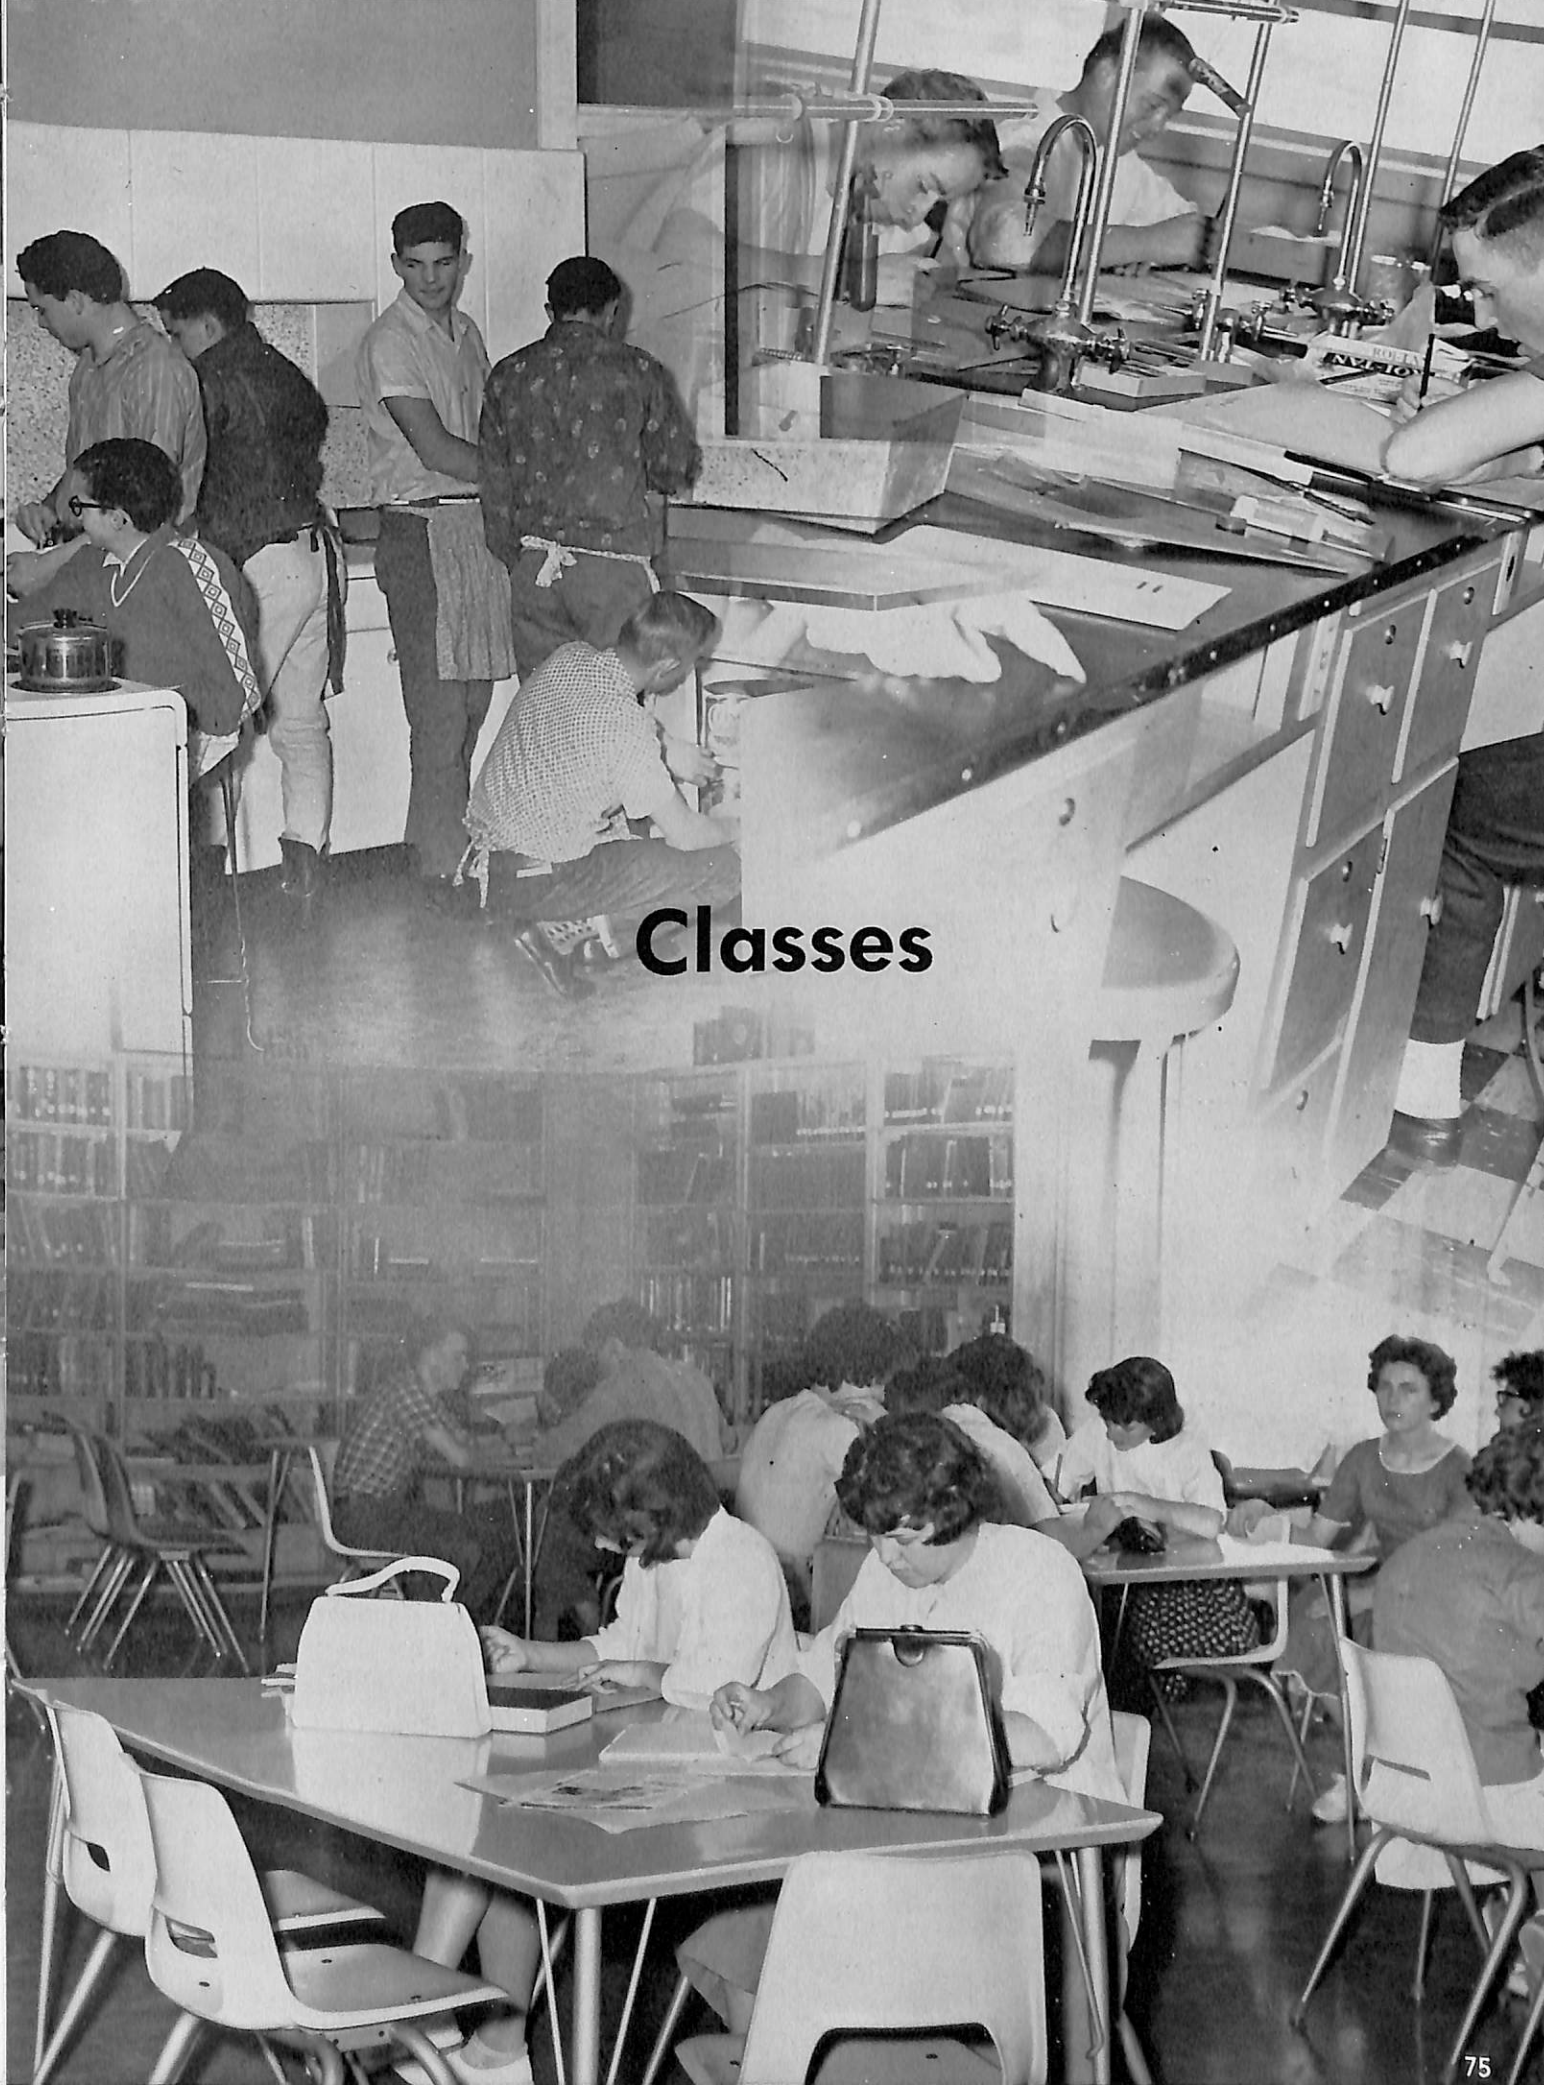

The SCIENCE AND MATHEMATICS DEPARTMENT is one of the most valuable departments in our school. These classes consist of Algebra, Geometry, Earth Science, Biology, Chemistry, Advanced Algebra, Physics and Mechanical Drawing.

This department has stamped a permanent impression in the lives of our future scientists by a trip to the AEC Reactor at Arco, Idaho. Here they were thoroughly indoctrinated on scientific subjects while seeing for themselves the work that goes on in the defense of our country.

The math classes provide our students with a sound background in the future fields of mathematics.

The teachers of these subjects are (STANDING, Left to Right) L. D. Frome, James Grasse, Ivan Call. (SITTING) Nord Wilkes, Paul Stock, and Ted Heiner.

These assiduous teachers devote many hours in helping our young students learn more about scientific subjects. We can sincerely say "Hats off to these teachers!"

SENIOR CLASS OFFICERS

President ERROL BAGLEY
Vice President LaMAR WALKER
Secretary IDA BETH AULLMAN

The last is always considered the best year in high school. The seniors of 1961-62 will certainly go along with this. They started this year out in the best way possible by winning first place on their homecoming float. The revolving star showed the ingenuity and industriousness of the seniors.

LaMar and Dwight's time machine with the help of the seniors took the student body through past and future time. The assembly turned out to be very good with the combined efforts of the fascinating machine and the talented seniors.

The seniors' annual sneak took them to points of interest in Utah. This trip was educational as well as fun.

The reward for four years of hard work finally came. We met this stepping stone into the future with mixed emotions. The night proved that "From These Roots" we certainly grew and will continue to grow.

The success of our final year at SVHS was helped by Miss Pace, Mr. Call and Mr. Bailey.

We chose to reign over our Junior class activities Jed Robinson, President; Ronald Haderlie, Vice President; Lael Eddins, Secretary; Anita Henderson, Treasurer.

We started the year with a bang when we received second prize on our Homecoming float.

The theme of our assembly was "I've Got a Secret" with Menry Horgen and Mess Bireson. It proved quite interesting when a secret was pulled on the panel which they knew nothing about.

The biggest task we had was the Junior Prom which was held in the high school this year for the first time. The theme chosen by our Junior class was "Beyond the Sea." Decorations were carried out in two shades of blue. We had a very successful prom.

Our class advisors are Mr. Wilkes, Mr. Robertson and Mrs. Titensor.

We have had an enjoyable year participating in school activities. Although we can't forget our classes and the work we have put forth in them.

Our Homecoming float was very beautiful. Although it didn't win a prize, we enjoyed making it.

Our assembly featured New Year's resolutions. Among other T.V. Stars, we visited the Flintstones.

To boost our budget we have sold at the ballgames.

Commencement dance was our final tribute to the senior class. This was our biggest undertaking of the year. With the direction of advisors Mr. Lewis, Mrs. Lake and Mr. Brown it turned out very successful.

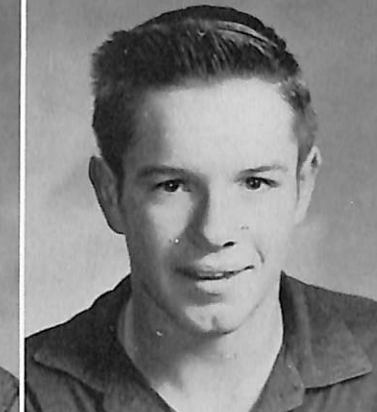

We are looking forward to being the upperclassmen of next year. We hope we will be able to add more enjoyable memories to our high school days.

FRESHMAN CLASS OFFICERS

President: GARY JENKINS
 Vice President: JOYCE STOCK
 Secretary: BETTY CHADWICK

The Freshmen of 1961-62 first year in high school is one that they shall not soon forget. They became full fledged members of Sta-Va-Hi with their initiation. This day the halls were invaded by ridiculous creatures adorned with onions. Who can forget the graceful ballet and cave man dancers on the assembly?

They joined in the Homecoming activities with enthusiasm. Their huge red football helmet was a novelty and indicated many hours of work. The talent displayed by the freshmen in their spring assembly indicated many fine assemblies in the future. Gary, Joyce and Betty should be congratulated on their fine work on the freshman activities.

Through experience we know freshman work is not easy. They have sat and endured classes such as: English, algebra, P.E., social studies, French and seminary.

Their social activities have been supervised by their class advisors Mrs. Meldrum, Mr. Tilby and Mr. Frome.
